From the Principal:

Our P.B.S. Values are:
Respect for Ourselves
Respect for Others
Respect for our Learning

On our Grade 6 Camp this week two questions were posed to our Grade 6 students and leaders:

‘What do you want people to say about you and the kind of person you are at the end of this year when you leave S.H.S?’

‘What goal do you have for our camp that you will also focus on for the remainder of the year at Home or at School?’

Being privileged to be part of the circle listening to our students share their answers to the questions above reinforced to me why we continue to strive to set high expectations. Our students are not only worth it but very capable and special young people. Because we think highly of them we set high expectations to help them learn more about themselves and develop skills to reach their potential across the many gifts and talents they have.

Two key themes came through from the students:

1. T.U.P. – Tolerance, Understanding and Patience
2. G.T.S. – Great, Treat and Speak

Many answers were around being more TUP at home with family and being more thanking at home for what families do for them. They were genuine in what they said and the importance of doing a better job with being more thanking, tolerant and patient. The challenge of course is not in the saying but in the doing.

Integrity is how well you narrow the gap between what you say and what you do. It is the level of balance between your words and actions. If you say one thing but do another on a regular basis then you lack integrity.

Having integrity leads to credibility
and credibility leads to trust.

Our children need to trust us as parents. To trust that our advice, help and expectations are right and that over time will help them be better people. To develop this trust we need to have credibility in their eyes and integrity in our words and actions.

The cycle is simple in theory. Our children want to be better people, make better decisions and be proud of who they are. I have yet to met a child that deep in their heart they do not have this motivation. As parents simply being more TUP and GTS to people in our lives would be an ordinary act that could have extraordinary results for our children.
IMPORTANT INFORMATION -
emailing the school office

If you are sending an email to the school office please make sure you send it to shsl@catholic.tas.edu.au. Recently some parents have sent emails to shsl.staff@catholic.tas.edu.au which has resulted in their emails going to all the staff. Also if you reply to an email sent from the school please be careful not to select “reply all” as this will result in your email being sent to all staff and all school families on our email list.

School Calendar:
We have now provided a paper copy of the School Calendar for parents. It shows the confirmed dates for the next month ahead. We will provide a calendar for Term 2 towards the end of this term. We hope that this is helpful for some parents in the busy organisation of families and the many events and activities that happen each week.

Survey:
Please return the survey forms about Move Well Eat Well and just as importantly possible social and fundraising events for our Parents and Friends for this year. We will share the feedback from surveys with parents in coming weeks.

Sacrament of Reconciliation:
Many of our students have begun their preparation for the Sacraments of Reconciliation. Last week the Family Faith Sharing sessions commenced. Last weekend candidates preparing for the Sacrament were presented to the Parish at different Masses.

KATELYN TAYLOR

Our thoughts and prayers are with the Taylor family with the tragic loss of Katelyn Taylor in Queensland on Sunday. Katelyn attended Sacred Heart School along with her sisters Bridie and Chloe. We are all thinking of her family at this very sad time.
Kindergarten Enrolments 2015 –

Existing families:
If any existing families have children that will be 4 years of age on January 1st 2015 they are eligible for Kindergarten. Please contact our school office to enrol your child and confirm your place for 2015.

Pastoral Care and Wellbeing:
Mrs. Helen Halley from this year as part of her role is focused on pastoral care and wellbeing. If parents or students need support, someone to talk to and help work through challenges or problems, Helen is available. At times Helen will be invited to be part of conversations to help provide a focus on wellbeing and pastoral care.

ANZAC Day March:
Each year we invite our students to represent the School in taking part in the ANZAC Day March. ANZAC day this year falls in the Term 1 School Holidays. If you know you will be available during the holidays and your child would like March with the School please contact our School Office. We will create a list and send information out towards the end of Term with specific details once they are provided to the school.

SACRED HEART SOCCER

For any families interested in having their children play soccer for Sacred Heart in the NTCSL at Windsor park. Children of all abilities are welcome to play and it’s a great family orientated way to introduce the children to soccer.

Information was emailed to all families last week or there are information forms available at the office.
For more information please contact Maree Mills on maree.mills@catholic.tas.edu.au

*Please return your expression of interest forms by Friday 28th March
Dear Parent/Carer,

Your child is special and loved. But sometimes your child may feel worried, upset, confused, guilty or angry because your family has changed. They may feel out of place or overwhelmed in your new family situation. Or they may be grieving and sad because of a painful loss in your family.

At school we would like to offer time for your child to get together with other children their age and talk about what is happening in their life. This group is called “Rainbows”, based on God's promise of the Rainbow after the storm.

If you think your child would benefit from such a program, please fill out the registration form below and return via your child’s class teacher or at the School Office or email consent to the email address below.

Please don’t hesitate to contact Helen Halley if you require any further information either in person or at helen.halley@catholic.tas.edu.au

National Assessment Program – Literacy and Numeracy (NAPLAN) 2014

In 2008, the National Assessment Program – Literacy and Numeracy (NAPLAN) commenced in Australian schools. The program is scheduled to continue in 2014 with all students in Years 3, 5, 7 and 9 to be assessed using common national tests in Reading, Persuasive Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy.

Years 3, 5, 7 and 9 students in Tasmania have been participating in literacy and numeracy tests for a number of years, so there is familiarity with the test formats and the types of questions.

The scheduled dates for the tests in 2014 are Tuesday 13 May, Wednesday 14 May and Thursday 15 May.

These national tests will provide information on how students are progressing against national minimum standards of literacy and numeracy skills expected for each year level, as well as performance across the whole range of student abilities. The results will support improvements in teaching and learning for students.

Parents will receive an individual report that shows their child’s results and a comparison of their child’s performance against all other Australian students in their year level. The report will also indicate how their child performed in comparison to the national average and the levels of achievement expected at that year level.

For students in Years 5, 7 and 9, the results from the 2014 tests will provide parents and schools with important information on progress made since they last participated in NAPLAN testing in 2012.

The best way you can assist your child is by making them feel comfortable about the nature and purpose of the tests, and assure them that the tests will give them an opportunity to show what they have learned in class.

For more information about the national tests, including test samples, frequently asked questions, the test schedule and a parent information brochure, please visit the national NAPLAN website at: http://www.nap.edu.au
