From the Principal:

‘Life isn’t about waiting for the storm to pass, it’s about learning to dance in the rain.’

When everything seems to be going against you, remember that the airplane takes off against the wind, not with it - Henry Ford

Last Friday was one of those special days that make you stop and recognise all that is good and great about our students, staff, parents and school.

Jack Duffy visited our School Assembly and our students welcomed Jack, making donations towards fundraising for a communication device for him. This was a small gesture not only showing financial support but also our support of Jack, Jaimie, Xavier and their family. Our students then attended our Feast Day Mass in the Church of the Apostles. Our behaviour was outstanding, our reverence, singing, movement and understanding of right time and right place was excellent.

S.H.S. Cup after recess highlighted outstanding school spirit, leadership by our Grade 6 and 5 students and a positive atmosphere working together with others.

The day finished in the afternoon with S.H.S. Got Talent. Once again, Mr. Davie and Mr. Hood set the scene for our students and the ‘unlucky’ parents that got to see their performance. Our students love this event and participate in such a positive and energised way.
From the Principal: (cont.)

In its most simplest and purest form this is what our school is about! This is what we stand for, represent and devote out time towards creating.

We are in the business of people; developing people not just students.

We are in the business of values of respect and responsibility, having a go and W.E.S.T.

We are in the business of building relationships, fostering collaboration and teamwork, celebrating the successes of others and recognising that each of us has gifts and talents to share.

We are in the business of encouragement and positive reinforcement whilst not apologising for having high expectations.

We are in the business of continuing to say the same message over and over in many different ways: it is how we treat ourselves and how we treat others day to day that makes Jesus real in our lives not just in Mass, prayers and liturgies.

Literacy, numeracy and I.C.T. skills are crucial and vital but it is for the reasons above that I choose to send my children to Sacred Heart ahead of other schools I could send them to.

We currently have many more applications for our Kindergarten in 2014 than there are places available and the recurring theme from parents in what they hope for their child is about the values, dispositions, attitudes and personal qualities that the school fosters as a priority.
From the Principal: (cont.)

*How do we keep this going? How do we enhance this?*

As Principal I need to make sure that at every opportunity I employee someone who will live and embrace this focus. As Principal I need to keep working on the following questions:

1. What do we need our teachers to be doing, saying, acting on and how do we need them to do it to live and breathe the culture of S.H.S.?

2. What do we need of parents to achieve the same thing?

3. What do we want to spend our class time on and what key ideas do we want our students to be learning and then living out from minute to minute to embrace the values we hold as so important?

**Parent Teacher Interviews:**

Parents will now have received information about the upcoming Parent/Teacher interviews. This year there will be some differences that we believe will be of benefit to parents, teachers and students. These include:

- Having one centralised electronic booking form for teachers to enter appointment times. We hope this will make it easier for parents with 2, 3 or more children to not have to come across multiple nights to attend parent teacher interviews.
- The opportunity for students to be part of the Parent/Teacher interviews. Parents decide if they would like their child to attend, all or part of the meeting, as well as having younger children come along to make it easier for parents to get to the interviews. It is potentially more powerful and authentic for students to be a part of the conversation about their learning.

**Interschool Cross Country Carnival:**

This Thursday many of our Grade 3 - 6 students will represent our school at the Interschool Cross Country Carnival at Scotch Oakburn Park. Our students have done an outstanding job (along with parents for getting them there) attending training before school two days a week for a few weeks now. Thanks to Mr. John Anderson and Mrs. Davie for helping out with the training and for the students for turning up in often very cold conditions.

**Birth - 4 Program: Playgroup at Sacred Heart - Monday 29th July**

From **Monday 29th July** our school will be trialling a Birth to 4 years playgroup. This is for families from our school, parish and local area. It will be held every Monday afternoon in Mrs Nas’ Kindergarten room from 1.30pm - 3.00pm. Further information will be available in coming weeks. Any queries around this can be directed to Jane Hills via email - jane.hills@catholic.tas.edu.au

**Long Service Leave:**

This Thursday will be Mrs. Wright’s last working day before she takes Long Service Leave until the end of November. As mentioned in previous newsletters Mr. John Anderson will take up the responsibility of P - 2 P.E. during this time.

**Mini Vinnie’s**

Thanks so much for the wonderful support that the families of our school community showed for our Vinnie’s appeal yesterday. The response was absolutely fantastic and will go a long way to making winter a little better for the less fortunate members of our Launceston community. Mini Vinnie’s will be continuing to collect donations until Tuesday 25th June.

Cyber Safety Workshop: DATE CLAIMER:
On Wednesday 3rd July at 7 p.m. the school has organised a Parent Workshop on Cyber Safety. The importance of developing these skills and understandings in our students is an increasingly crucial need and, for us, as parents we need to be aware of the realities of this also.
Please look to claim this date and make an effort to attend.
Our Grade 3 - 6 classes will have a performance during the day focusing on CyberSafety, our staff will attend a staff meeting that night as well as the parent session mentioned above.

New Music/Multi Purpose Stands:
The school has received 5 multipurpose stands. Mr. Nas ordered these earlier in the year having secured funds from our Parents and Friends towards the stands.
They can be changed to create a variety of different layouts and will have real benefit for our Music Program and Carols at the end of the year, along with other multiple uses. Thanks to the Parents and Friends for their support of the purchasing of the stands.

Feast of Sacred Heart Of Jesus  
- School Mass Celebration -

On Friday 14th June the school came together to celebrate mass. It was a lovely celebration. Fr Mark spoke about how the image of the Sacred Heart of Jesus reminds us of how Jesus loves us all and how, in return, especially as we are members of the Sacred Heart Community, we are to love others.

We also had a focus table. On it were hundreds of hearts linked together and reaching out to others. At the central place is the light of Christ, as a guiding and central force. This symbolism represents our school community – linked together in name and in mission.

\[\text{The heart is a symbol of love}\]
\[\text{The heart of Jesus is so full of love that he shares his love and life with everyone}\]
\[\text{Go forward and share God’s gift of love to make our world a better place}\]

Thank you to all the people involved in mass, especially to Mr Nas and the wonderful choir, the readers from Grade 4U, my special heart chain makers and to Fr Mark for his heartfelt words and guidance towards us all.

Dear Parents,

Internet safety presentation helps children stay safe online

Young people today are immersed in digital technologies. They use the internet and mobile phones to socialise, study, exchange ideas and play. While online activity has many benefits, there are also risks.

To help your children stay safe online, Sacred Heart is hosting a Cybersmart Outreach—Internet Safety Awareness presentation. Designed for parents, teachers and students, this presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives.

The Cybersmart Outreach—Internet Safety Awareness presentation is thorough and non-technical. It covers a range of issues including:

- the ways children use the internet and emerging technologies
- potential risks for children online, such as cyberbullying, identity theft, inappropriate contact and exposure to inappropriate content
- tips to help children stay safe online.

The presentation is conducted by an ACMA Cybersmart trainer and is free of charge.

Sacred Heart is committed to helping students develop appropriate behaviours when using digital technologies, both at school and home. Our program of internet safety initiatives includes:

- In school Cyber Safety education sessions
- ACMA presentation
- Use of an ICT agreement
- Staff professional development

The Cybersmart Outreach—Internet Safety Awareness presentation will be held on:

**Date:** Wednesday 3 July 2013  
**Session 1:** Student Presentation (3-6) @ 2.00pm  
**Session 2:** Staff Presentation @ 3.30pm  
**Session 3:** Parent Presentation @ 7.00pm

To register your attendance, please contact Phill van Ryn.

Enrolments will also be accepted on the night.

Regards,

Our Amazing Feet
Thank you to all the wonderful students who donated a gold coin for our Running Jack Fundraiser.

We were amazed by the generosity of our students and school families. The total amount raised by our school community was $738.75. This was then combined with the $1361.25 donated by the army in both Hobart and Launceston to make a total of $2100.

It is wonderful to see how supportive our school community is.

The Duffy family would like to thank the whole Sacred Heart Community for their generous support and good wishes towards Jack’s Marathon adventure.
On Thursday we went to Grade 6 for an MJR lesson. It stands for Making Jesus Real. We played an MJR Game and watched a video about what MJR means. Mr Davie taught us about MJR. Mr Davie taught us about being a W.E.S.T. person.

W stands for Welcome, E stands for Encourage, S stands for Sorry and T stands for Thank you.

We really enjoyed learning about MJR and Mr Davie taught us lots.

MJR is the best

Thankyou Mr Davie

SACRED HEART FEAST DAY
We are writing to you about an upcoming raffle for the Care for Africa Foundation. This foundation was established by the late Dr Peter Hewitt and Diana Butler, both from Launceston, in 2004.

The Foundation’s aim is to assist the people of Tarime, Tanzania, in Africa, in becoming a self-sufficient society.

Care for Africa is working towards giving people in Tarime the basic rights of life:

* Supply and access to clean water
* Health care and medical facilities
* Education for all children

The far reaching benefits of this project are truly amazing!

The Care For Africa charity is an organisation that the school has supported for the past eight years. We have been collecting backpacks, school equipment, linen and toiletries etc throughout the years.

The raffle is to help raise funds for the 2014 container project. Containers are sent every year, filled with medical and educational supplies and they cost around $10,000 to ship. A team of volunteers also travel to Tanzania, to coincide with its arrival, and supervise the distribution of all our donated goods.

So this is what we need from you! We are seeking prizes for the raffle. These could be prizes from businesses, services eg a haircut, donations from families or money donations to buy suitable prizes. We would like to finalise the raffle by end of June (just in time for tax time).

Please give this your generous consideration as we know that you are often called upon to give but this is something truly worthwhile. You can be rest assured that all donations go directly to those who need it most. “Helping others is not only good for you but makes us happier and healthier too.”

The CFA Foundation facilitators at school are: Annie Lee (Kinder), Helen Halley (Kinder, APRE) and Alison Smith (Grade 4). Please contact any of us regarding donations.
