Gates and entry to school:
Once the building program begins early in Term 3 the York Street gates, closest to our Prep to Grade 2 building, will no longer be available to the general public. The gates would allow entry to the building site therefore, for Work Health and Safety reasons, these gates will only be accessible for contractors, builders and vehicles entering the site for this purpose.

The entrances in Bourke Street, York Street, adjacent to our Kindergarten, and the Margaret Street gates will still be accessible before and after school. Between 9:15 and 2:45 p.m. the Bourke Street and Margaret Street gates will be locked.

**Twitter:**
Encourage those interested to follow SHS School on Twitter @shslton. Regular tweets are sent out showcasing things happening in the school as well as information and reminders about events happening at school. There are currently 41 families who are following the school twitter feed.

**Mobile Electronic Devices:**
The school policy for mobile electronic devices (mobile phones, Ipods, Ipad, etc) is:
1. That we prefer that they are not brought to school.
2. In some circumstances the need for a mobile phone for students is needed particularly for after school between students and parents.
3. In these cases the mobile phone or device must remain in the school bag or be handed in to the teacher for care during the day.
4. There is no need for the device to be taken out of the bag during the day for any reason, as communication between home and school is through our school office.
5. If a student chooses to take the device out they will be instructed to take the device to the school office. It then will need to be collected by a parent / guardian from a member of the leadership team.

This policy is in place to support Cybersafety, responsible technology use and proactive anti bullying strategies for students who attend S.H.S. each day.

**Term 3:**
A reminder that Monday 22nd July is a Student Free Day.
**Students return to school on Tuesday 23rd July 2013.**

*Thank you to everyone who has helped make our school a better place to be this last term.*

*Be safe, happy and rested!*

*See you in Term 3*

**Birth - 4 year Program: Playgroup at Sacred Heart**
Birth to 4 playgroup at Sacred Heart begins on Monday 29th July from 1.30pm until 3.00pm.
It will be held in Mrs Nas’ Kindergarten room.
School, Parish and local families are welcome to attend.
Entry to the school grounds is via the main gate on York Street.
We are asking that attending families contribute a gold coin donation to help cover costs.
Mrs Jodie Beardwood will be facilitating the playgroup program.
We are looking forward to welcoming families to our school.

Creation Prayer Ponderings

I can’t but help amaze in the wonder that is creation - from the slimy slug we found in Kinder to the touch of a new born baby’s hand to the vastness of our universe when we look up at the stars at night. It’s a pretty amazing, awe-inspiring creation we are all a part of.

We have being talking in Kinder, like many classes have been, about the Aboriginal people who lived here so very long ago. And we have listened to some of their Dreaming Stories about how things came to be or came into creation. We thought in Kinder, that although the stories about creation and how creatures came to be were interesting, the creatures were born the way that God made them. But still there is always that element of wonder ...

No matter how great or small our understanding of it all, how it came to be or how it still all is, there is no denying that all of creation is worthy of praise for its wonder and awe! This praise, this wondering, this appreciation of awesomeness is prayer - to God and from God, each and every day.

During the holidays I hope there are many AWEsome moments of wonderment for creation, especially with the best creation of all - the most beautiful and unique gift of your child or children and your life.

Wishing you a happy and safe Winter holiday time.

In prayer we discover more and more of God’s wonders.

In prayer we discover God in depth of our being, in other people and in the created world.

Gr 2 Parachute Experiments
Dear Parents,

Internet safety presentation helps children stay safe online

Young people today are immersed in digital technologies. They use the internet and mobile phones to socialise, study, exchange ideas and play. While online activity has many benefits, there are also risks.

To help your children stay safe online, Sacred Heart is hosting a Cybersmart Outreach—Internet Safety Awareness presentation. Designed for parents, teachers and students, this presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives.

The Cybersmart Outreach—Internet Safety Awareness presentation is thorough and non-technical. It covers a range of issues including:

- the ways children use the internet and emerging technologies
- potential risks for children online, such as cyberbullying, identity theft, inappropriate contact and exposure to inappropriate content
- tips to help children stay safe online.

The presentation is conducted by an ACMA Cybersmart trainer and is free of charge.

Sacred Heart is committed to helping students develop appropriate behaviours when using digital technologies, both at school and home. Our program of internet safety initiatives includes:

- In school Cyber Safety education sessions
- ACMA presentation
- Use of an ICT agreement
- Staff professional development

The Cybersmart Outreach—Internet Safety Awareness presentation will be held on:

**Date:** Wednesday 3 July 2013  
**Session 1:** Student Presentation (3-6) @ 2.00pm  
**Session 2:** Staff Presentation @ 3.30pm  
**Session 3:** Parent Presentation @ 7.00pm

To register your attendance, please contact Phill van Ryn.

Enrolments will also be accepted on the night.

Regards,

Phill van Ryn

**Alice in Wonderland**  
by Lewis Carroll

Alice in Wonderland is one of the most popular, inviting, and adventurous stories of all time.

One normal summer day, Alice is sitting on the riverbank when a big, white, talking rabbit runs past. He pops into a big rabbit hole, and Alice follows him down, down, down into a strange and magical land.

Alice has many exciting adventures in this extraordinary place called Wonderland. Here, anything can happen: All the animals talk, a deck of cards comes to life, and everything gets curiouser and curiouser.

This is the timeless tale of Alice's adventures in Wonderland.

The next meeting will be **Tuesday 6th August** from 3.15pm – 4.30pm.
We meet upstairs in the Grade Five area.
If you are interested in joining then see Mrs Illingworth or Mrs McLeod.
Everyone welcome from Grades 5 and 6.
