Our P.B.S. Values are:
Respect for Ourselves
Respect for Others
Respect for our Learning

“What makes a Catholic school different from other schools?
In choosing to send your child to a Catholic school what was it that attracted you?
Was it the quality of the education that the school offered?
Was it the evident dedication of the teaching staff?
Was it the sense that Catholic schools offered value formation for your child?
Was it the positive atmosphere of the school? Was it the pastoral care that the school offered?”

Archbishop of Hobart Julian Porteus extract from his Yearbook Article for all Catholic Schools

Did you choose Sacred Heart Catholic School or Sacred Heart School?

If we surveyed all parents I am confident it could be any of the above in a variety of combinations, with parents having different prioritised reasons as to why they choose to send their children to SHCS. There is of course nothing wrong with any of the reasons why parents choose to send their children to S.H.C.S. All of the reasons are strengths and qualities that make our school what it is.

We have to also understand and appreciate what our school was and what it needs to be in the future, to maintain currency and relevance to new and emerging needs. In past centuries, particularly during the Industrial Revolution, Catholic education was offered as a way to help the young, vulnerable and marginalised escape from difficult circumstances through quality education. The Christian Brothers (Edmund Rice Tradition) and the Presentation Sisters (Nano Nagle tradition) are the religious orders that shaped and established schools that over time merged into Sacred Heart Catholic School Launceston.

These traditions continue today across many schools in Australia and across the world. They all have at their heart a commitment to supporting the poor. They are committed to supporting all those that want a Catholic education for their child irrespective of their ability to meet the payment of fees. When we talk about our schools supporting the poor this is not just in terms of finance. We have families and students who need support around emotional and mental wellbeing, physical and social wellbeing as well as, now, their spirituality and faith.
From the Principal:

Our schools are about supporting the development of people, their character, their values, their attitudes, their personal qualities, as well as their academic development. Sometimes I think we forget why we do this as a school! It is not because these are good things to do. It is not because as Principal these are my preferred things. It is because our Catholic faith demands it! The Gospel message is about how we treat others, how we live a life striving to be our best self and how across our life we need to keep striving to be better people.

Our schools are not just about good discipline and values, rather these are part of our faith. If we only do the first part separate or removed from our faith then we compromise our Catholic Identity and the tradition of over 140 years of history at our school. As our Archbishop highlights in his article insert for school yearbooks for this year: “It is important people understand and are aware of this distinctive feature of Catholic education, particularly when there is such a focus on the purely academic dimension of schools. Catholic schools are not simply about marks and grades, although these are important, they are concerned about the formation of the whole person.”

There are limited vacancies on the following grades for 2016:

MAINTENANCE AND CAPITAL WORK

Some parents will have seen the work being finished in the Kindergarten playground in recent days. We have enhanced our outdoor play kitchen and sandpit area for the students. In the upcoming holiday period work will also begin on:

1. Undercover walkway/cover for Kindergarten and the entry to Grade 5 / Kinder Halley. The fence gate will also be reallocated so that Kinder Halley students can walk out of their classroom and be inside the fence line of the Kinder playground.
2. Loose parts play area, Grade 1 classroom area. During holidays this will be fenced off, new pine bark soft fall added creating clearly defined space for playing as well as improving our ability to retain pine bark and soft wall without it spilling onto the back walk way into both Grade 1 classrooms.

HOUSE COLOURS DAY

Thank you to families and students particularly Grade 6 and our House Captains for their engagement in our House Colours Day last Thursday. It was great to see the colours of each House, so bright against the backdrop of our oval and buildings at recess, with some fantastic foods on offer. Each House has selected a focus for their fundraising. These are outlined below:

- McKillop: Christian Blind Mission
- Young: Tanzania
- Nagle: Sponsor Child Rhay
- Rice: Edmund Rice Camps

MR. PHIL ILLINGWORTH – LEAVE

Phil Illingworth, our Utility Officer, is away today and returning the middle of next week. He had a pre-arranged commitment with his previous employment that, on accepting the position he identified with me, he needed to fulfil. We have organised, and Phil has met with, the business that supported our school during the last holidays when we were in a transition between Mike leaving the position and having a new Utility Officer take up the position.

House Colours Sweets and Treats Day

Thank you

Thank you to all those who helped make our House Colours Sweets and Treats Day so successful. Over $800 was raised for the different charities our House Colours supported.

A big thank you to the House Captains and Grade 6s who organised things, set up, manned the stalls and cleaned up. Thank to all who made and brought along sweets and treats to sell on the day. And thank you to all who bought things.

It was a beautiful day and the kids all seemed to enjoy the fun and delights of the day. Great to see so many kids in their house colours and great to see our ideas of helping others Spring into action through this fundraising event.

On Monday the Grade 3-6’s participated in the athletics carnival. The weather was beautiful and everyone had a great time. We are really proud of everyone who had a go and did their best. Well done to all the people in Young who helped win the carnival for our house. We would like to thank all the parents and staff that make this event so much fun!
