Keep up to date with what is happening in the school, reminders of events and any news as it happens through the school Twitter feed at: @shsiton

**From the Principal:**

**Attitude is contagious, is yours worth catching? Anon**

**Your attitude chooses your attitude in life – M.J.R. Program**

**Weakness of attitude becomes weakness of character – Albert Einstein**

- At least 80% of humanity lives on less than $10 a day
- According to UNICEF, 22,000 children die each day due to poverty.
- Around 27-28% of all children in developing countries are estimated to be underweight.
- (2005), about 72 million primary children not enrolled in school in the developing world.
- Nearly a billion people entered the 21st century unable to read a book or sign their names
- Almost two in three people lacking access to clean water and survive on less than $2 a day.
- One in three living on less than $1 a day.

If we were able to transport the people in these situations into our lives, I imagine their gratitude would be immense. Their response to some of the things that we see as ‘dramas’ would provide a real reality check!

I am not making light of genuinely tough situations rather that we can easily forget how lucky we are!

Our students have been writing in Gratitude Journals over the past three weeks and if all of us were able to sit down for 5 minutes a day and do the same, I wonder if our attitude would be a little more positive to some of the situations and responses we currently give?

Watching several parents from our school participate in the Ross Marathon on the weekend, taking on a challenge with such a positive and determined attitude was inspiring!

Attitudes are contagious. What attitude are we, as parents and teachers, ‘spreading’ to our students about being grateful and appreciating what we have?
From the Principal: (cont.)
Each and every day we can take for granted simple rights like shelter, water, education, food, clothing and freedom from war that millions of people around the world have never experienced with any confidence or regularity. At S.H.S. we will continue to celebrate and promote the importance of gratitude and the crucial need for a realistic positive attitude. We see this as a must have skill and disposition for young adults in today’s world.

Building Program:
Our Building Program has finally begun. The fencing is up and demolition work is beginning. There will be some changes to our organisation and movement around the school as well as before and after school. I am sure with a positive attitude we can all manage with these. The key changes are outlined below:

Access:
- Top York Street gate (vehicle and pedestrian access) will be permanently locked for the duration of the building program. This will be the entry point for builders and contractors involved in the building program only.
- Path between the library/arts building and Gr 3/4 will be painted for all students to walk up and down on the left hand side of the path. This path will be the only access to the rest of the school from Bourke Street so it will be busier than has previously been the case.

After School:
- Students will still wait for parents on York Street outside these gates but will walk out after school to this area only through the bottom York Street gates.
- Perth Bus will be collected from Bourke Street gate after school for remainder of the year.
- Bourke Street bus duty will now need to wait until Perth Bus leaves

Before School:
- Students wait in the undercover area in front of Gr 3/4 before school as the usual waiting space in front of prep is being demolished as part of the building program. The 3/4 area provides shelter and cover for students before school in inclement weather.

Gates:
If arriving later than 9 am it is advisable to drop students off at the York Street bottom gate – as this is the only gate left open during the school day. There have been several times this term that we have had to lock the gates just after 9 am. Please, if arriving after 9 am, drop students off at the York Street gate.

Intensive Swim Program:
Towards the end of each year the school provides a 6 week swimming program for our P - 2 students. Mrs. Wright has previously taken half the class for a period alternating the other half the following week. This program will continue this year whilst Mrs. Wright is on long service, with Mr. John Anderson coordinating the program. More information will be sent out in coming weeks.

Mrs. Wright has, in previous years, offered separate lessons for some students across a 2 week intensive period. Unfortunately we cannot offer this program this year, with Carol on leave and Mr. Anderson teaching across the week. In this instance parents will need to access swimming lessons outside of the school, if they determine their child needs further support.

Influenza A:
A confirmed case of Influenza A has been reported. This is highly contagious so please stay away from school until better and go to your GP for testing.
From the Principal: (cont.)

**SHS Athletics Carnival:**
On Monday 2nd September our grades 3 – 6 students went to St. Leonards Athletics track for the 2013 Sacred Heart Athletics Carnival. The students competed in many track & field events including vortex, javelin, shot put, discus, long jump, 70m, 100m, 200m, 400m, 800m and running relays.

Whilst we use the day to select the athletics team for the NIJSSA Athletics Carnival, the main focus is on participation and giving your best. Important life long skills such as persistence, confidence, getting along and resilience can be developed during sports days such as this.

Congratulations to all the students that competed and thank you to the parents and staff that volunteered on the day. Without the help of volunteers sports carnivals are not possible. Also a big thank you to the Parents & Friends Association that purchased brand new house running vests. I think everyone will agree that the runners looked very smart in the new vests.

**Final house scores**
- Rice: 1216 points
- Young: 1136 points
- MacKillop: 967 points
- Nagle: 966 points

Mr. John Anderson (Health & PE teacher)

**Ross Marathon:**
Many of our families and some staff competed in different events as part of the Ross Marathon last weekend. Congratulations to Mr. Phill van Ryn who completed the Marathon and Liz Illingworth who completed the half marathon. Congratulations to the Running Jack Team who participated, particularly Chris and Erin who completed the marathon, with Chris pushing Jack in his heavy duty pram for the 42 kilometres.
Andrew Chinn Concert

On Wednesday 18th September, Australian religious songwriter and singer, Andrew Chinn, will be visiting our school to share his songs with our children. Andrew’s songs, such as “These Hands”, “Rainbow” and “Together As One” are used in classrooms and liturgies around Australia, New Zealand, USA and Canada.

Parents/parishioners are warmly invited to be a part of the celebration of faith and fun. Our school concert will take place in the Presentation Hall at 1.45pm. There is no charge for adults. We look forward to seeing you there.

There will be a Parish evening concert in St Ailbe’s on Tuesday 17th September (time to be advised).

Andrew came to our school two years ago and it was a really wonderful experience for the children and the school. We look forward to his visit soon.

Andrew has his own website: www.butterflymusic.com.au

KINDER & GRADE 6C ART WORK
FATHER’S DAY 2013
SHS ATHLETICS CARNIVAL
Tuesday Book Club

_Hatchet_

_by Gary Paulsen_

“Thirteen-year-old Brian Robeson is on his way to visit his father when the single engine plane in which he is flying crashes. Suddenly, Brian finds himself alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother has given him as a present — and the dreadful secret that has been tearing him apart ever since his parents’ divorce. But now Brian has no time for anger, self-pity, or despair — it will take all his know-how and determination, and more courage than he knew he possessed, to survive.”

The next meeting will be _Tuesday 15th October_ from 3.15pm - 4.30pm.

Everyone welcome from Grades 5 and 6.

Sacred Heart Little Athletics
Do you like having fun, spending time as a family and getting fit at the same time? Little Athletics might be the perfect match for you!
The 2013/2014 season is fast approaching and we at the Sacred Heart Little Athletics Club would love to welcome any new members/families.
We will be holding registration days where you can come along, register, pay, ask questions and purchase club uniforms.
These will be held on:
Monday 23rd Sept: Sacred Heart School, Grade 6 Davie 3-4pm
Wednesday 25th Sept: St Thomas More’s, main foyer 3-4pm
Proof of age (birth certificate or blue Child Health book) needs to be sighted before children can be registered and payment needs to be made by the second meet of the season.
Athlete groupings are organised by each athlete’s age by Sept 30. Tiny tots need to be 3 or 4 by this date to participate.
Training will begin on Sept 26th from 5-6pm at the South Launceston Football Ground in Youngtown. You’re welcome to come along and see what you think.
Find us on Facebook - https://www.facebook.com/SacredHeartAthletics
For more information please email us on: sacredheart@sllac.org.au

Raising Boys---An Evening with Steve Biddulph
Staff, parents and friends are invited to the next St Patrick’s College Parents & Friends Forum – an evening with Steve Biddulph on ‘Raising Boys’ to be held on Tuesday September 17th from 7.30 – 9pm in the Guilford Theatre at St Patrick’s College.
For further information and bookings please access the following website, http://aneveningwithstevebiddulph.yolasite.com/ or go to the St Patrick’s College website and find the link in the P & F section under the Community tag.

Twilight Cricket -
Season Commences: Wednesday 23rd October 2013
