Tomorrow night I head overseas as part of a group of educators from EREA (Edmund Rice Education Australia) schools from all parts of Australia. I am away the last week of this term and for most of the school holiday period. I am back at SHCS for the start of Term 4.

We will experience the work of Edmund Rice International in Geneva, Switzerland. ERI are:

“...a non-governmental organisation (NGO) committed to working for children and young people who are marginalised because of poverty, lack of access to education, legal status, environmental degradation, or involvement in armed conflict. ERI works at international level to promote and protect the rights of children and young people particularly in regard to education. Care for the environment is a value that is embedded in all that we do. Inspired by the vision and life of Blessed Edmund Rice, ERI believe that education in all its forms offers opportunities for the promotion of a rights-based and faith-based approach to social justice and ecological advocacy. ERI works in partnership with other faith based groups in the promotion of peace and justice. Their work involves engagement with change makers at the international level to bring issues and situations to the attention of the international community.”

We will have the chance to visit and sit in on the UN Human Rights Council as part of this experience.

We also spend time in Ireland, visiting:

- Edmund Rice Centre Dublin
- Edmund Rice Visitor Centre, Waterford. The centre is the prime heritage centre of the Christian and Presentation Brothers Congregations.
- Nano Nagle Centre, in Blackwater Valley. The centre marks the birthplace of the foundress of the Presentation Congregation, Nano Nagle. The Presentation Sisters had a significant effect on Edmund's mission.
- Visit schools across different cities and towns linked to these traditions.

Our school has a history with both Nano Nagle and Edmund Rice. It is a fantastic privilege to be able to part of this experience offered by EREA. Please click on the link at the top of this newsletter if interested in seeing the itinerary in more detail. In coming days I will add blog posts, photos and videos of the trip on this site. I hope students get the chance to have a look and see parts of the experience as well.

I look forward to returning and seeing everyone at the start of Term 4.
From the Principal:

Northern Primary Schools Dance Event

Prep, Grade 1 & Grade 2

On Friday 16th September Prep - Grade 2 classes will be involved in a Primary School Dance Event. This is the coming together of many Primary Schools from across the North of Tasmania. Children are to wear sports uniform and bring a big drink.

Parents are welcome to attend, there will be tiered seating for excellent viewing, unfortunately due to limited space parents will be unable to access the dance floor or dance with their children. Parent parking is provided on the lower car parks to allow ease of movement for the buses dropping off children. Please be prepared for some delay and look for directions from parking marshals.

Where: Silverdome Launceston
When: Friday 16th September
What: Primary School Children dancing to contemporary music
Dance Time: 9:45 – 10:45

School Fire Education

We have started our two week School Fire Education Experience for all students from Prep to Grade 6. We have a person from Tasmania Fire; a qualified fireman, working with the students across the next two weeks. I hope they are already coming home sharing some of the work and discussion that has taken place.

Transition to Summer Uniform

Students are able to transition to summer uniform this coming week. With our Uniform Shop being closed in recent weeks the school is obviously a little more flexible with school uniforms where parents still need to purchase summer uniform items. You can purchase items from Target as well as some schools have their own Uniform Shop if the item is generic to schools. Please contact our school office if you need any direction or help with this.

Uniform Shop Closed

Our Uniform Shop remains closed as per the recent letter sent out.
If you have any queries regarding the school uniform please call the office.

Working with Vulnerable People

We have over a prolonged period tried to communicate as clearly as we can around the expectations around the Working with Vulnerable People registration. To be clear

- You need to register online
- Pay at Service Tasmania
- Receive WWVP card confirming registration and show your card at the school office.

There are challenges around the implementing of this and the realities of what schools are like day to day. We share the frustrations while also being obliged to implement and support the expectation asked of all schools through legislation.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

Government legislation now requires all people working or volunteering with vulnerable people to be registered.

It is an expectation placed on our schools that any person who is on an excursion, helping in the classroom, helping out with students getting changed after swimming, attending camps etc must have this registration.

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the “Application Receipt” which is generated when the application has been completed in full
3. Take the “Application Receipt” to a Service Tasmania shop, pay the fee ($17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Tasmanian Aboriginal Culture

On Tuesday evening, the 6th of September a group from Sacred Heart School met with other students at the Tasmanian University to learn about Tasmanian Aboriginal culture. The elders taught us how to make a bracelet from dried grass. Also they let us do some ochre painting after they demonstrated how to crush rocks into powder. We also were shown how to cook native animals in a traditional way. We had a great time learning about Aboriginal culture and would like to thank the elders, Mrs Reid and Mrs Illingworth for taking us.

Unpacking the daily MYTERN Message: You can’t always MAKE things happen

We often spend a lot of time and energy trying to force things to happen. With children it may be wanting to make friends quickly; getting a new pet or a new bike; or being asked to sleep over at a friend’s house. With adults it could involve wanting a new job; a bigger house; a new car; or that long awaited overseas holiday.

The trouble is that while we concentrate on trying to make something happen, we often miss out on appreciating what we already have.

**Family activity:** Discuss examples of when you have tried to make something happen at the expense of appreciating now. Emphasise the importance of appreciating what you DO have instead of always wanting more. See if you can all find examples of what you would like to happen, and then discuss the consequences of not getting it immediately. Are you going to let the fact that it may not happen instantly ruin your life now? Take a deep breath; appreciate now and allow it to unfold naturally. It may surprise you how quickly it could then appear.
