The link below is a great starting point for discussion around supporting students to be resilient and some of the phrases we can use with our kids.

CATHOLIC BISHOP’S PASTORAL LETTER

Today the Australian Catholic Bishops Pastoral letter ‘Don’t Mess with Marriage’ has been distributed through Catholic schools across Australia. In Tasmania, the distribution of the Pastoral Letter was arranged by the Archdiocese of Hobart, which has governance of Catholic schools in Tasmania, through the Tasmanian Catholic Education Office.

The Archdiocese took the extra step of asking that the Pastoral Letter and Archbishop’s letter be sent home in a sealed envelope addressed specifically ‘To Parents/Guardians’.

The intention of the Church is to offer families the opportunity to understand why the Church has taken the position it has on this question of the legal definition of marriage. The Letter does not advocate vilification of any people based on sex, gender, race or the like. Our School’s view has been and will continue to be that ‘the Catholic tradition teaches that every human being is a unique and irreplaceable person, created in the image of God.’

Please if you have any queries or concerns I am more than willing to discuss these with you.

CLASS REQUESTS 2016

Last week’s newsletter highlighted that, as of this year, we won’t be going through the same process as in the past in allocating students, and as a result, will not be having opportunities for parent requests as has been the case in the past. If needing more information access our webpage for last week’s newsletter 25th June.
From the Principal:

NAIDOC WEEK
This week our schools celebrate the culture, history and achievements of our Indigenous people as part of National NAIDOC Week celebrations which runs from 3-10 July. NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

NAIDOC Week is celebrated not only in Indigenous communities, but by Australians from all walks of life in the spirit of reconciliation and support. NAIDOC Week presents a great opportunity to participate in a range of activities and to support the process of reconciliation.

The National NAIDOC theme for 2015 is: We all Stand on Sacred Ground: Learn, Respect and Celebrate. The 2015 NAIDOC theme is especially relevant to the Catholic community after the release of Pope Francis’ encyclical ‘Laudato Si’. The encyclical highlights the relationship between human beings and the earth and the theology that underpins that relationship. I will write more on ‘Laudato Si’ in next term’s newsletter.

This week our school has celebrated a NAIDOC Week Liturgy and had an Aboriginal Art focus across our classrooms, which students had a chance to walk around, view and discuss in classes yesterday.

MESSAGES TO STUDENTS AND CATCHING BUSES
As you all know, our school is a very busy place. Sometimes classes are not in their classrooms or students are working with different adults around the school.

We have had a few recent instances regarding changes to after school collection where students did not get messages in time, and we want to prevent this from happening.

Our office staff do a fantastic job in getting messages to students. However there are times where this can be very difficult.

Please, if you need to get an Urgent Message to your child ring the office. If messages can be rung through before 2:00pm this is most helpful.

On a Friday, we have an assembly at 2:00pm and office staff may not be able to get to your child or their teacher to pass on any messages.

Especially for our younger students who catch buses, a suggestion has been made to us, that parents write an emergency mobile number onto their child’s metro card so if needed contact can be made with the parent easily.

It is a good idea to have conversations with your child/children around what to do if they are unsure about how to get home, where to go or if something does not feel right to them. Having these conversations regularly helps to build resilience in our children.

STUDENT/PARENT/TEACHER INTERVIEWS
Parent Teacher Interviews will happen early in Term 3. This gives parents a chance to look at reports and discuss them, with the indication of coming to parent teacher interviews with any questions, celebrations or things you want to discuss.

There will also be a chance on one of the nights allocated for parent teacher interviews to meet with specialist teachers Art, P.E., Health, Music as well as co-teachers.

LONG SERVICE LEAVE
Mr. Tony Claessens will be taking long service leave for the first week of Term 3. Mrs Megan Badcock will be in Grade 6 Claessens. Megan has taught at SHS before starting a family and regularly does relief work in our school. Megan will be a great replacement for the first week.
Can Drive

There is a flyer in the newsletter for Can Drive. We have participated in previous years and the donation of canned goods go to very needy people within our community.

Working with Children Checks

The feedback from parents who have completed the process is that it is quite quick to complete. It is more just a matter of getting into Service Tasmania to process the application. As stated in many of the newsletters it is important to have this addressed if wanting to coach teams in basketball in October.

How to apply for a WWCC and Number

2. Print the “Application Receipt” which is generated when the application has been completed in full
3. Take the “Application Receipt” to a Service Tasmania shop, pay the fee ($17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWCC card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

On behalf of our entire school community I wish all of our students a great holiday period. I hope that families have a chance to refresh, warm up, overcome any illnesses and return ready for the second half of this school year. I thank every single person through big deeds and small, for anything you have done to help grow, enhance and build the positive culture, climate and environment of S.H.S.
**MIDYEAR PARENT/STUDENT/TEACHER MEETING**

Yesterday, all students in Prep to Grade 6 should have brought home their mid year report.

In week 2 of term 3, we will conduct Parent/Student/Teacher meetings.

The eldest student in each family will bring home information on booking Parent Student Teacher appointments on the first day back after the holidays. Appointments will be confirmed and confirmation times sent home.

We are looking forward to seeing all parents and guardians in the 2nd week of next term.

Enjoy the holidays

**Winter Warmers**  
This term we would like students to bring in old clothes, blankets and non-perishable food items. The students can leave their items in their classes and the Vinnie’s team will come and collect them. Thank you for helping to make a homeless person a little more comfy this winter

**Parents & Friends News**

Last year Parents & Friends organised a successful “Market on the Green”. P & F have received requests to again hold this event for 2015 and are looking for helpers to join a sub committee to assist with the planning. Please if you have free time to be involved contact Rebecca on 0418721952. The Market will only go ahead if enough help is available.

In art with Mrs Heathorn I got to paint a landscape. My painting is of a blossom tree. It took me a long time to paint, about 7 weeks. It was lovely to use a canvas and paint. My painting is beautiful.

NAIDOC WEEK

Aboriginal Art Tour

Over the past few weeks, each child in the school has been preparing a piece of Art for our Art Tour. What a fantastic event it was. Every class did a tour of the school and visited each classroom where Art was displayed to view.

Below are some of the pieces of Art which were on display.

Dear Parent/Carer,

Your child is special and loved. But sometimes your child may feel worried, upset, confused, guilty or angry because your family has changed. They may feel out of place or overwhelmed in your new family situation. Or they may be grieving and sad because of a painful loss in your family.

At school we would like to offer time for your child to get together with other children their age and talk about what is happening in their life. This group is called “Rainbows”, based on God’s promise of the Rainbow after the storm.

If you think your child would benefit from such a program, please fill out the registration form below and return via your child’s class teacher or at the School Office or email consent to the email address below.

Please don’t hesitate to contact Helen Halley if you require any further information either in person or at helen.halley@catholic.tas.edu.au

Family Life Program

In term 3, Centacare will be running their Family Life Program in our school. The Family Life Program was developed to assist parents:

- To encourage the development of positive attitudes towards growth and development of sexuality in children
- To promote discussion between parents and children
- To provide accurate and up to date information
- To help children to develop positive relationships

There will be Parent/Child Evenings on the following days:

Monday August 3rd for Parents and children of Grade 5 and 6.
Tuesday August 4th for Parents and children of Grade 3 and 4.
Wednesday August 5th for Parents and children of Grade 1 and 2.

The Parent/Child Evenings will be followed up by in class sessions for students in Grade 6 on Tuesday 4th August and students in Grade 4 on Wednesday 5th August.

All Centacare programs are designed to be age appropriate.

We strongly encourage you to take part in these Parent Child sessions with your child. Centacare ask for a $10 donation per family to cover costs (only one payment required if you attend more than one session).

When: Monday August 3rd Grade 5 and 6
      Tuesday August 4th Grade 3 and 4
      Wednesday August 5th Grade 1 and 2

Last Friday the Sacred Heart Cross Country team went to Scotch Oakburn for the NIJSSA Cross Country Carnival. It turned out to be a memorable day for our school with some brilliant performances. Here are some of the highlights:

*Four of the eight races were won by students from Sacred Heart
*The grade 3, 4 & 5 girls won the team events
*The grade 3 & 5 boys won the team events
*For the third year in a row Sacred Heart finished first for the cross country carnival out of the nine competing Catholic and Independent schools

These outstanding results don’t happen by accident. Thank you to the parents who bring their children down to training at Brickfields and help train students in their own time. Thank you to Mrs. Davie, Mrs. Illingworth, Mr. Claessens and Mr. Jones for helping with training at Brickfields. Thank you to ALL our grade 3-6 students who didn’t run on Friday. Your genuine care and support of each other this term has been wonderful to see. Thank you to the parents who volunteered at the carnival. It looked like we would not have a 2015 cross country carnival at one stage, so your help to make this event happen is greatly appreciated!

Congratulations to the following students who finished in the top 10 on Friday:

1st place: Mia Goody (grade 3 girls), Max Roney (Grade 3 boys), Isabella Davie (grade 4 girls), Connor Leeflang (grade 5 boys)

2nd place: Annaliese Leeflang (grade 3 girls), Oliver Baldock (grade 3 boys), Fletcher Harper (grade 4 boys), Isabella Johnston (grade 5 girls), Josh Gillow (grade 5 boys)

4th place: Ava Jones (grade 3 girls), Alex Zegveld (grade 3 boys), Max Marsden (grade 4 boys)

5th place: Mia Baldock (grade 5 girls), Liam Jones (grade 5 boys)

6th place: Ruby Dawkins (grade 3 girls), Spencer Drew (grade 3 boys), Sophie Illingworth (grade 5 girls), Mitchell Nicholas (grade 5 boys)

7th place: Ebonie Agostini (grade 5 girls)

8th place: James Leake (grade 4 boys), Evie Dawkins (grade 6 girls), Stefan Tantari (grade 6 boys)

9th place: Liliana Ercole (grade 4 girls), Will Fox (grade 5 boys)

10th place: Blade Sulzberger (grade 6 boys)

*Finally, congratulations to Isabella Davie and Connor Leeflang who have both now qualified to represent Tasmania at the Athletics Australia Junior Cross Country Championships held in Melbourne later this year.

Move Well Eat Well

Teach road safety from an early age

Walking and cycling helps children learn how to be safe around roads.

- Help your child learn about road safety by:
- Using pedestrian crossings, traffic lights and footpaths.
- Teaching road and pedestrian rules.
- Supervising children at pedestrian crossings.
- Making sure that protective gear such as helmets are worn when riding.
- Holding hands to cross roads.

For more road safety ideas visit:
