Our P.B.S. Values are:

Respect for Ourselves
Respect for Others
Respect for our Learning

BeAttitudes: **Be Honest**

Tonight our School for the first time will be holding a Parent Information Evening for prospective 2017 Kinder families. Most will be first time parents possibly nervous, unsure or apprehensive in what choice of school they want to send their child to.

What do they want in a School?

What are their expectations of the concept of 'educating their child'?

What priorities do they place on academic or social or emotional or mental or physical or spiritual development?

Some of the key messages that I hope that the parents take away from our conversation tonight are that at SHCS we:

- Are a Catholic School not a Private or Independent School. Aspire all students to have a sense of and appreciation of their faith.
- Have an increasing awareness and focus on wellbeing.
- Aspire to support parents and families support young people not just teach students.
- Aspire our students to understand and embrace the qualities of respect, empathy, tolerance, giving, forgiveness and justice.
- Develop a focus on work ethic, effort, persistence and perseverance as much as academic success

NAPLAN results for 2015 were made public yesterday, with our school doing very well when compared to other Tasmanian and National Schools. However this is one test on one day about a narrow aspect of learning and what our school offers and provides. I hope prospective parents to SHCS decide to come here on more than just NAPLAN results.

Having attended Grade 5 Camp and currently on Grade 6 Camp, it is obvious to me that the importance of giving our young people a chance to get to know their peers outside of the classroom, to learn about building and maintaining positive relationships with others, as well as appreciating the love and care their families have for them, is a critical component of growing into young people of worth.

It is a privilege and a humble experience to get to know our students beyond surface level conversations through the experience of Camps. I want to acknowledge Mrs. Illingworth, Mrs. Karen Cettolin, our Office team as well as teachers who support me being able to attend Camps through leading the school in my absence.

I take great pride in the quality young people we have in our school. Tonight I will also be privileged to meet future families committed and supportive of the values, ethos and mission we are endeavouring to foster here at SHCS, hopefully also motivated to be part of S.H.C.S.

THANK YOU TO HELPERS AT FRIDAY SPORT

A sincere thank you to all parents and volunteers who were able to help out coaching, umpiring or organising teams for Friday Sport, either for one or more weeks. As one of the larger schools the organising of buses, teams, venues and the like is not always easy to coordinate. Our Grade 5 /6 students enjoy the opportunity and the chance to meet other students from Independent and Catholic Schools in Launceston.

S.H.C.S. FAIR

Our S.H.C.S. Twilight Fair returns Friday 18th March. Thank you to the Fair Committee who have met on variety of occasions to organise and coordinate the Fair. This year has seen more of a team approach with a Fair Committee spending significant time on preparing for the Fair.

PLEASE NOTE : THE CANTEEN WILL BE CLOSED ON FAIR DAY

- ❖ Mrs. Deb Scott will be at school from 8:00am each school day to supervise any students.
- ❖ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ❖ The child's name will also be recorded on an attendance sheet on a daily basis.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

Government legislation now requires all people working or volunteering with vulnerable people to be registered. It is an expectation placed on our schools that any person who is on an excursion, helping in the classroom, helping out with students getting changed after swimming, attending camps etc must have this registration.

If parents do not have registration or registration is pending you may not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Dear Parent/Carer,

Your child is special and loved. But sometimes your child may feel worried, upset, confused, guilty or angry because your family has changed. They may feel out of place or overwhelmed in your new family situation. Or they may be grieving and sad because of a painful loss in your family.

At school we would like to offer time for your child to get together with other children their age and talk about what is happening in their life. This group is called "Rainbows", based on God's promise of the Rainbow after the storm.

If you think your child would benefit from such a program, please fill out the registration form below and return via your child's class teacher or at the School Office or email consent to the email address below.

Please don't hesitate to contact Helen Halley if you require any further information either in person or at helen.halley@catholic.tas.edu.au

MYTERN™
Take Emotional Responsibility Now

Post 2 of MYTERN (Take Emotional Responsibility Now)

The Skill of MYTERN

MYTERN is based on a simple metaphor:

- you are the driver
- only you have control of the steering wheel
- you can't control anyone else's steering wheel
- each road you drive down is an emotion
- and the way you choose to react to a situation decides which emotional road you will drive down.

There are two types of roads:

- The green roads which increase your health. Reapo is in charge of these roads - some of which include: happy, excited, peaceful, generous, loving and confident.
- The red roads which increase your resilience. Buska is in charge of these roads – some of which include: sad, disappointed, angry, mean, jealous and scared. Just remember not to stay on the red roads for too long, otherwise you may lose some of your health.

It is important to realise that each road has its own merit. Each road is designed to give you a completely different perspective, changing the way you see things and often helping you to choose another road.

Life is meant to be full of contrast. You can't expect to spend your life driving down smooth green roads all the time. If you did you wouldn't be able to develop any resilience.

You just need to know HOW to be in control of your steering wheel, as well as accepting responsibility for the roads that you choose to drive down. This is exactly what the skill of MYTERN helps you to develop through introducing the characters of Reapo, Buska, TEP and PET.
