From the Principal:

Our P.B.S. Values are:

Respect for Ourselves

Respect for Others

Respect for our Learning

<http://MyTerncity.com.au>

WE CAN BE HEROES!

"Heroes lift themselves up and make themselves greater by pursuing something greater than their own self-interest..." (Chris Lowney)

"Embrace Christ in everyone who shares with you the dignity of human nature." (John Paul 2)

Take a "walk" back to your own childhood. Consider for a moment who were your "heroes". Reflect on what it was that made them heroic. For many of us we had heroes who were fictional characters like "Superman or Wonder Woman". For others it was sporting heroes that we were drawn to. Most of these characters we will never meet but they provided a "romantic notion" that we aspired to be just like them because they had qualities that we could only dream of.

Recently I had the opportunity to participate in a retreat to explore my own "spirituality". Our Principal's Retreat in 2017 was an opportunity to reflect on my life. We were challenged to appreciate what we are as individuals. To consider the "here and the now." We were challenged to reflect about the only person that I could change, myself.

For me having the time to reflect on what my role is as a Principal, husband, father, brother, friend was the most valuable of the time as an experience. At various times we have the capacity to influence others by our own actions and words. We know our actions may have either a positive or negative affect. Ultimately our children will continue to look to us as role models before they look to Superman or Wonder Woman. When they see us being compassionate, when they see us treating everyone with respect they too will "aspire not to want more but to be more".

I'm constantly amazed by the capacity of children. Your children and mine have the ability to be empathetic people. They understand that there are many people in the world who are far worse off than they are. Children want to make a positive difference to the lives of less fortunate than themselves when they understand how fortunate they are in their own lives. As a Catholic school we will always explicitly teach by our words and our deeds that "a life lived with compassion is a life worth living". At Sacred Heart our challenge will always be to live as our motto proclaims "Go forward and share God's gift of love to make our world a better place.". Each and every day children, parents and staff reflect the values of our founders. All around us are members of our community who are "Christ like" in the way they live. We all have the capacity to perform heroic acts. For me that provides great hope for the future.

This week challenge yourself to be a witness to heroic deeds. None of us will ever climb a tall building in a single bound or be faster than a speeding bullet but all of us have the capacity to be co-creators of a human race underpinned by respecting the dignity of all. This is the most heroic act any of us can ever achieve.

"Integrity is the trait valued highest in today's world... Integrity calls for consistent values that underpin all of our lives and allows our true self to be expressed. A life well lived requires such an integrity, if we are to leave behind a legacy from our time on this earth. " (REVEREND TIM COSTELLO)

"Success has nothing to do with what you gain in life or accomplish for yourself. It's what you do for others." (Danny Thomas)

SAFETY IN AND AROUND OUR SCHOOL

On Tuesday ALL parents were emailed the following email.....

"The safety of our staff and students at Sacred Heart Catholic School is paramount. Being an inner city school means we have to be vigilant in our practices and procedures. We have recently noticed a man walking around the "outskirts" of our school. This has been reported to the police. Our teachers have spoken to your children about what they should do if they see "a stranger". To reinforce this important message all parents should discuss the following with their children.

- Do not approach or engage with people you don't know or feel unsafe around.
- If you notice a "stranger" near our school report this immediately to a staff member at SHS.
- If you see any gate open at SHS close it.

Earlier this term we made a few changes to the opening and closing of gates at our school.

Following these recent incidents we have decided to make a few additional changes. From today the following will apply.

Bourke/Margaret street gates:

- opened by 8:30 am
- relocked at 9.00am (approximately)
- unlocked at 3:00 pm by duty teacher
- relocked at approximately 3:30 pm by duty teacher

York St gate:

- unlocked prior to 8:00 am
- only access point during the day

This means if you arrive after 9am your child must be walked into the office via the York Street gate and sign your child in.

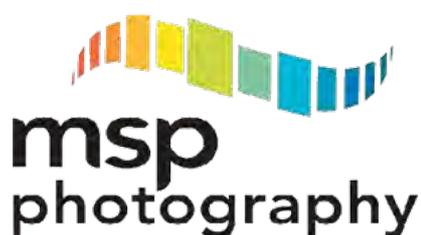

Please note children will NOT be able to leave via the Bourke Street gate unaccompanied. The Bourke St area is predominantly a bus zone pick up area.

We realise this may be an inconvenience for families but the safety of our children is more important. Thanks for your patience and anticipated support.

UNIFORM

In the past fortnight teachers have spoken to a small number of children about school uniform. Please note the following

- Our Sports Uniform includes white or predominantly white socks. Black or coloured socks are not a part of our school uniform.
- Boys are expected to start and end the day with their shirts tucked in. Boys will also be expected to have shirts tucked in for formal occasions.

Please complete and return your school photo envelopes to the class teacher or the office by no later than **Friday 30th June**.

SACRED HEART FEAST DAY

Our Feast Day last week was a wonderful celebration of Sacred Heart. Sacred Heart Feast Day was memorable because of the positive community spirit that resonated throughout the day. Our Feast Day Cup was moved indoors because of inclement weather but this didn't deter the children in working together to reflect the values of our school, team approach, selfless, positive, supportive, encouraging and full commitment.

Sacred Heart's Got Talent is a superb way to round out the day watching children share their talents.

Congratulations to Ally Agelopolous and Stella Hogarth who were presented with this year's winner of SHS's Got Talent. Congratulations to all our performers who represented their classes.

Thanks to each and every child for your exceptional attitude throughout the day. Thanks to the families who joined us at various points through the day. Thanks to our incredible staff for their efforts to organise and implement a fantastic day.

STUDENT PICK UP

To assist in traffic flow on both Margaret and Bourke St pick up sites, we are sending home a laminated sign with your child/children's names on it. We would really appreciate it if you could clearly display this sign when picking up your children from Margaret or Bourke St. If you use more than one car for pick up a duplicate handwritten sign on a piece of paper would suffice. We appreciate your assistance with this.

NAIDOC WEEK CELEBRATIONS AT SACRED HEART

On Monday, the 26th of July, our Aboriginal and Torres Strait Islander students went on an excursion to Tiagarra. The students all had a fabulous time together learning about their heritage.

On **Thursday July 6th Sacred Heart will be celebrating NAIDOC week.** As part of our celebrations *we invite you* to come along and meet us in the *gym at 9:10.* Our Aboriginal and Torres Strait Islander students will share a short presentation... hear all about our excursion and learn about Aboriginal culture and then join us on our walk around the classrooms to view the learning and celebrations of each room.

2017 ALL SCHOOLS CROSS COUNTRY

On Tuesday 48 Sacred Heart students proudly represented our school at the Primary All Schools Cross Country at Symmons Plains. Once again Sacred Heart achieved some amazing results including three of the eight races being won by a student from Sacred Heart. This is a significant achievement considering over 2300 students attended the event from over 100 primary schools in Tasmania.

This ends a most successful term of cross country running at our school. Thank you so much to ALL our dedicated students who always give 100%. The results at our school are pleasing, but the most impressive aspect of this term has been the great sportsmanship shown. Our students are fantastic at encouraging each other, persisting when the going gets tough and having a go.

Congratulations to the following students who finished in the top 50 in Tasmania:

- 1st - Xavier Davie (Boys 9 Years)
- 1st - Averyl Quinn (Girls 10 Years)
- 1st - Isabella Davie (Girls 12 Years)
- 2nd - Abbey Berlese (Girls 10 Years)

Tasmanian Catholic Schools Parents Council

23 June 2017

Media Release

Catholic Schools Parents' welcomed assurances that low-fee Catholic Education would continue to be provided in Tasmania.

The Tasmanian Catholic Schools Parents' Council welcomed assurances from Catholic Education Tasmania that despite the Federal Governments flawed legislation being rushed through Parliament today, parents and families would continue to be able to access low-fee Catholic Education in Tasmanian.

Executive Officer, Greg Boon expressed disappointment that the Federal Government did not undertake reasonable consultative processes prior to the legislation being tabled and the resulting stressful negotiations over the last month appeared to be more focused on negotiating with the Senate Cross Bench to do what it takes to get the legislation passed rather than consultation with key stakeholders who are charged with the responsibility of providing education to children in Australia, both in the Government and Non-Government Sector.

Mr. Boon stated that any increase in education funding is very welcome and Catholic Parents would be very interested to see that there were positive impacts on education for all students.

Minister Birmingham's agreement to review the socioeconomic status methodology was welcomed as this is crucial, if a more accurate measure of needs basis funding is to be realised. This is an exercise that should have happened over the last two years and formed a sound foundation for the proposed changes to the Education Amendment Bill 2017. It is important that this review is taken seriously and adequate priority and resources are provided.

Mr. Boon expressed his disappointment that any sector of the community would be arguing that Students with Disabilities should be separated from mainstream classes. "This is a practice that our society had quite rightly put behind us many years ago. He welcomed the inclusive approach of Tasmanian Catholic Schools and Colleges.

Mr. Boon stated that realistic Students with Disability funding was needed to ensure that this integration was successful. Student learning outcomes and teacher stress levels should not be compromised because they do not have the resources to teach the unique composition of their individual classes. The Tasmanian Catholic Schools Parents' Council would focus on ensuring that appropriate SWD funding would be provided by current and future Governments.

ENDS.

For further comment, please contact Greg Boon (Executive Officer TCSPC) on 0498 221 139

ROTARY SPONSORS RUBY'S DIABETES CAMP

Nearly 2 years ago I was diagnosed with Type 1 Diabetes (T1D). This is an autoimmune disease and cannot be cured. So this means my pancreas doesn't produce insulin which is crucial for my blood sugar to be regulated. If I do not do this properly I will get very sick and can affect my eyes, kidneys and veins. I now wear an insulin pump 24/7 and check my blood sugar levels many times a day for the rest of my life.

Last year I went on the 10-12 Junior Diabetes Camp for 3 nights ran by Diabetes Tasmania for my first time. The camp was amazing, we got to do fun activities and meet new people. I made lots of new friends who also have T1D. People should know about these camps and are really important for people with T1D because as they give you the opportunity to meet new people with the same diagnosis as you, so you know you are not the only one. Last Friday I was invited by Tasmania Diabetes to accept a cheque from The Rotary Club of Launceston for \$1000 to go towards these camps. I got my photo taken by The Examiner and an article went into Saturday's paper.

I will not let my Diabetes stop me from doing anything ever!
