From the Principal:

WELL BEING AT SACRED HEART

Sacred Heart is in the fortunate position of being able to provide our children with a range of tools to support their well being. Our school believe that children learn best when their social and emotional well being is taken care of. It makes sense when we consider that we all perform better when we lead a balanced life.

When children learn to read, write and add up they all learn at different rates. Equally when children learn social norms we can't expect them to learn this immediately. As a school we believe that we must equip children with a range of tools that will support their growth into adulthood.

Our tools include:-

MYTERN

"The MYTERN skill is based on a simple metaphor: you are the driver and only you have control of your steering wheel; you can't control anyone else's steering wheel; you use your emotions as your GPS; each road you drive down is an emotion; and it is only you who decides which road of emotion you will drive down. The aim is to be in control of your steering wheel no matter what road you are on."

MyTern is a language we use with children that helps children monitor their own emotions. It can and should be used at home as a way of supporting children. Teachers will continue to empower children with this language in 2018.

MJR

Making Jesus Real (MJR) is a way of life. We provide children with opportunities to reflect on how they can share their goodness with others. We ask the children to reflect on their approach to life and how by their own actions they can positively or negatively impact on others.

PBS

Positive Behaviour Support is a way for our school to explicitly teach appropriate behaviours. As a school we spend time with children sharing what is acceptable behaviours. In the first week of school EVERY child spent time in various spaces in and around our school learning/remembering what is expected of them.

CIRCLE TIME

Circle Time is a teaching strategy which allows the teacher to explore issues of concern. Also, it allows children to explore and address issues which concern them. It provides a structured mechanism for solving problems, in which all participants have an equal footing.

NEXT WEEK

Next week I will be at a meeting in Hobart on Monday. I will then be heading to the Grade 5 camp that afternoon and returning Wednesday morning. On Thursday and Friday I will be attending Tasmanian Catholic Principals' meetings in Devonport. We meet once each term.

Adele Murphy, our Assistant Principal, is available for compliments or challenges.

PARENTS & FRIENDS

Thanks to the parents who attended our first P and F meeting for 2018. It was great to see so many new faces and welcome back our returning parents. Our focus for 2018 is to continue to build our community relationships and provide financial support to our playground projects.

BOARD NOMINATIONS

Sacred Heart Catholic School Board assist the Principal in providing the best possible strategic direction in Catholic Education. We especially ensure our facilities are well looked after, WHS matters are monitored and plan for the future. If you are interested in adding your skills to our Board collect a Expression of Interest form from the office. Two of our Board members have completed their term of office to create these vacancies. Please speak to Brent if you require any additional information.

BOOK SALES 2018 - FEEDBACK

In 2018, after many years using Birchall's as our suppliers of "Back to School" stationery, we changed suppliers to Petrarch's. A small number of parents and staff have provided me with feedback, both positive and challenging. If you have any thoughts or comments please email brent.wilson@catholic.tas.edu.au by Friday 9th March and I'll discuss these with Petrarch's.

UPCOMING STATE ELECTIONS

Included with the newsletter is information regarding education matters for the upcoming state elections. We trust this will assist parents in making an informed decision when they vote.

STUDENT SAFETY

We take every child's safety seriously. Last year we made a few changes to provide a safer environment for children.

To support your child's safety parents/grandparents are required to:

- Parents who come to school during school hours must access our school via the York Street entrance.
- Our gates in all other spaces will be locked at 9.15am and opened again at 3.00pm.
- For some families this will be an inconvenience. Please understand the purpose of our change is to not to make things awkward but rather to provide safer processes for the children of Sacred Heart.
- Equally we need your help, sometimes the gates are left open. We know this is not deliberate but it is everyone's responsibility to close the gates if they have been left open.
- We will also be discussing this with your children so they too can close gates if they see them open, and also ask children to inform an adult if they see an open gate.
- Families will notice stop signs on the gates to remind parents and children to close the gates.
- If your child is picked up by others please ensure they read this information or at least you pass it on.

Thanks for your support.

NO PARKING IN THE CHURCH CAR PARK

As an inner city school we are challenged by parking opportunities in and around our school. One area that parents are NOT able to park in is the Church of the Apostles car park. Our best advice to parents and grandparents is to arrive at school after 3.10pm when there is far less congestion.

It is 3 weeks until the SHS School Fair....

The fair committee has been planning for some time now and we would love your assistance to put those plans into fruition and make our school fair great. The SHS Parents and Friends Association has committed **\$50,000.00** towards the planned upgrade of the **schools playgrounds** on top of this, **ALL PROFITS** from the **2018 FAIR** will also be directed to the playgrounds upgrade. We hope the Fair will be a great success and we can add a minimum of \$15,000 more towards the upgrade of our playgrounds. Over the next weeks there will be information in the newsletter on how you can help leading up to and at the fair, every show of support will be greatly appreciated. If you have any queries please speak with a fair committee member, stall convenor or contact Kelly mob 0400 128200.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

Government legislation now requires all people working or volunteering with vulnerable people to be registered. It is an expectation placed on our schools that any person who is on an excursion, helping in the classroom, helping out with students getting changed after swimming, attending camps etc must have this registration.

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Reminder - Before School expectations

Even though it is a parent responsibility to make arrangements for the supervision of your children before 8:30 a.m., S.H.S. offer an arrangement for families who need their children to be arriving at school earlier.

- ❖ Mrs. Deb Scott will be at school from **8:00am** each school day for any students.
- ❖ **Students are not to arrive before 8am**
- ❖ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ❖ The child's name will also be recorded on an attendance sheet on a daily basis.

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm

Please note that children arriving late to school need to enter the school via the York St entrance and report to the school office to update our records and avoid unnecessary absentee text messages.

Reminder that dogs are not permitted on the school grounds without prior permission from the Principal

TOILET ACCESS AFTER HOURS

Student toilets are locked daily at approximately 3:15pm-3:30pm. There is a toilet located in the administration building, which is opened until 4:00pm daily.

Catholic Schools - Partners in Tasmania's Future

Party Responses to Catholic Education Requests

Requests	Tasmanian Liberals	Tasmanian Labor
Recurrent Funding - Schools <i>Catholic schools call on all political parties to fund the gap in the Australian Government's Schooling Resource Standard (SRS) over the next 6 years.</i>	<p>Maintain commitment to additional Students First (Gonski) funding for the non-government sector of \$36 million over six years (2013-2018).</p> <p>Maintain the existing 2017 funding pool for 2018, even though the Australian Government's adjusted School Resourcing Standard (SRS) reflects a reduced funding requirement for 2018. This maintenance, along with \$3.1 million for transition and 2.5 per cent indexation, contributes to an overall increase in the order of nine per cent compared to 2017 funding levels.</p>	<p>Labor is committed to delivering the existing capital works funding and pre-committed additional \$36 million recurrent funding to non-government schools in Tasmania.</p>
Capital Funding – Schools <i>Catholic Education is seeking retention and extension of the additional Capital assistance provided in the 2017-18 Budget currently worth an additional \$950,000 annually to our sector beyond the four year forward estimates and to build in appropriate levels of indexation that reflect rising building costs.</i>	<p>Extend the additional capital assistance provided in the 2017/18 budget over the forward estimates period to the 2021/22 financial year. This will equate to an additional \$950,000 per year in capital assistance for Catholic schools over the forward estimates.</p>	
Increased support for the Early Years <i>To expand greater access to early learning opportunities already offered to parents in government schools, Catholic education is seeking funding support over the next four years to provide Birth to 4 (B4) programs for parents choosing a Catholic education.</i>	<p>Re-affirmed support for early years learning through committing funding to the <i>Working Together for three year olds – targeted pre-school initiative</i> program to provide a free additional year of pre-school to vulnerable or disadvantaged three year olds across Tasmania.</p> <p>Catholic providers of pre-school services will be eligible for this, should they become accredited.</p>	<p>Committed to building six new Child and Family Centres (that could be accessed by our families).</p>
Better access to Health Care checks <i>A new partnership needs to be developed with Government to assist children in Catholic schools to have hearing and sight checks similar to that provided to state school students.</i>	<p>Provide a new grant for student support for Catholic and Independent schools in low socioeconomic communities to provide additional student support where it is needed. This equates to approximately \$158,250 for Catholic schools per year, or \$633,000 over the forward estimates. There will be some flexibility in the application of the funds, however additional literacy and numeracy support or access to allied health or support services such as hearing and sight checks, speech therapy, psychology or a social worker may be included.</p>	<p>A Labor Government will give school nurses more career options within the health system by moving them into the Tasmanian Health Service.</p> <p>School nurses will perform sight and hearing checks on every Tasmanian student aged between five and nine.</p> <p>Labor will work with Catholic education and private schools to deliver the program through shared funding.</p>
Cross-Sectoral Collaboration for Teacher Professional Learning	<p>Supports cross-sectoral collaboration particularly on the west coast.</p>	<p>Labor will always support the opportunity for teachers to share knowledge across sectors.</p>
Supporting Vocational Education <i>Catholic education is calling on Government for appropriate funding to ensure equity of access to TAFE VET programs for Years 10 to 12 students.</i>	<p>No specific response</p>	<p>Labor will offer 3,000 targeted TAFE scholarships. The \$1,000 scholarships will be used to fill key skills gaps, as identified by Labor's new Industry Advisory Councils.</p>
Sustainability <i>To broaden the availability of conversion to solar power and increase the uptake of this option for Catholic schools.</i>	<p>No specific response</p>	<p>Labor will seek financing assistance from the Clean Energy Finance Corporation and ARENA to expand the Community Solar Hub program to government buildings such as schools, hospitals and offices and would welcome discussions with the Catholic Education Commission regarding involvement in this program.</p>
Support for Parent Engagement <i>Catholic Education is seeking financial support for parent engagement.</i>	<p>No specific response</p>	<p>No specific response</p>
Additional Commitments	<p>Work with the Tasmanian Catholic Education Office on a long-term accommodation solution for the St Francis Flexible Learning Centre in the Northern Suburbs of Hobart.</p>	<p>Under a Labor Government all students attending their nearest public or school of their chosen faith will be provided with free public transport.</p>
