Partnerships

*"Be the change that you wish to see in others."
"Preach the Gospel and as a last resort use words."*

I wish I was given a dollar for every time a prospective parent, wanting to be part of Sacred Heart, has said something about our 'Catholic and Christian values'. That academic, while important, for them the importance of their child developing values around empathy, kindness, forgiveness, responsibility and the like are just as important as academics.

Reflecting on the 2019 Kindergarten interviews that have just been completed, it is safe to say that more than 90% of the parents are seeking these values as the most important reason for selecting our school.

We are a W.E.S.T. School.

WELCOMING, ENCOURAGING, SAYING SORRY WITH SINCERITY and THANKS.

The idea of saying sorry with sincerity is worth understanding. What does it mean to be sorry? Is it just saying you are sorry and then moving on forgetting about what has just happened? Is it saying sorry with the shared understanding that there is a commitment in these words to work harder than before to not do the thing we have just done. To learn from our previous mistake.

I often feel that when we talk about our School community for some of us we only think of the students. The greatest teaching our students get is not in the words they hear but in the behaviours they see. In particular the behaviours they see from the important adults in their lives in school and outside.

"Do as I say not do as I do." - is a mantra many of us heard from our parents and perhaps our children have heard from us. If we honestly believe the responsibility to teach our children resides with everyone else (that is, home or school depending on which you reside) then our children will more than likely not reach the potential they have and deserve to reach.

If we make mistakes as teachers and staff we should name them. We should apologise without reservation.

If we make mistakes as parents we should name them and apologise without reservation, whether that is to another parent, student, teacher or staff member.

If we let pride get in the way of doing what is right, then our children learn to let pride get in the way.

Partnerships...continued

We all surely aspire for our children to be better versions of us - to do this then we have to keep being better versions of ourselves in our actions.

Consider this week what part each one of us plays in the partnership at SHS. We all make mistakes, children, teachers and parents. In a Catholic school it is reasonable to expect we are all willing to reflect on our behaviours and apologise unreservedly where necessary. In the past 18 months I have continually been inspired by the community members who are always reflecting.

"Integrity is the gap between what we say and what we do." (Anonymous)

"Integrity is not something you show others. It is how you behave behind their back." (Anon)

"There is no better test for a man's (woman's) integrity than his behaviour is wrong." (Anonymous)

Mid Year Reports and Parent/Student/Teacher Conversations (PST)

Tomorrow children from Prep to Grade 6 will receive their Mid Year reports. Every teacher has shared positive comments and celebrations about the achievements of each child in the first half of 2018, comments designed to challenge children and to consider how they can make an improvement in their work habits or behaviours.

Next week families will be provided with the opportunity to meet with teachers to discuss and listen to the progress of their children. As teachers we see these conversations as an opportunity to celebrate the progress of every child, consider and reflect on the challenges of each child and establish goals for the the second half of 2018. We look forward to continuing to work with families for the betterment of your child.

MJR with Mr Davie

Last Friday Grade 5 went to the Gym to do MJR with Mr Davie. We talked about people who are selfless and people who are selfish. We talked about a famous AFL coach and past football player - Neale Daniher. We watched a short clip about him (he has a rare disease called Motor Neuron Disease). He gave a talk to his team about selfless and selfish people. He said, 'You can choose your path but choose to be selfless because you won't get anything by being selfish.' He also said that being selfish will get you nowhere but if you are selfless and care about other people you will get a lot out of it. Then after the talk we played a game with a giant parachute. Only a few people got chosen to have a turn, but everybody still had fun and nobody was selfish and didn't join in and nobody was upset either. Then we played a second game that required teamwork. We all grabbed the parachute and made a dome shape with us all in it, but if someone let go of the parachute then it wouldn't work. Everyone was selfless. Thank you to Mr Davie for another great lesson about Making Jesus Real.

RE News

Congratulations to all those people who donated money to the Project Compassion Fundraiser earlier in the year. We raised \$493.60 which will greatly assist those in need. Some of our funds can provide one year's remedial tutoring for a young refugee who has missed school due to the conflict in Syria, allowing them to catch up on their education in Jordan. Our funds can also buy a box of materials for children to learn carpentry at the Matuba Children's Centre in Mozambique.

Thank you for your generosity!

WORKING WITH VULNERABLE PEOPLE REGISTRATION

Government legislation now requires all people working or volunteering with vulnerable people to be registered. It is an expectation placed on our schools that any person who is on an excursion, helping in the classroom, helping out with students getting changed after swimming, attending camps etc must have this registration. **If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event.** This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Reminder - Before School expectations

Even though it is a parent responsibility to make arrangements for the supervision of your children before 8:30 a.m., S.H.S. offer an arrangement for families who need their children to be arriving at school earlier.

- ❖ Mrs. Deb Scott will be at school from **8:00am** each school day for any students.
- ❖ **Students are not to arrive before 8am**
- ❖ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ❖ The child's name will also be recorded on an attendance sheet on a daily basis.

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm

Please note that children arriving late to school need to enter the school via the York St entrance and report to the school office to update our records and avoid unnecessary absentee text messages.

Reminder that dogs are not permitted on the school grounds without prior permission from the Principal

TOILET ACCESS AFTER HOURS

Student toilets are locked daily at approximately 3:15pm-3:30pm. There is a toilet located in the administration building, which is opened until 4:00pm daily.
