## From the Principal:

### Sacred Heart ... "Promoting independence in children...."

*"I'm thankful to all of those who said no to me. It's because of them I did it myself."* (Albert Einstein)

*"The greatest gifts you can give your children are the roots of responsibility and the wings of independence."* (Dennis Waitley)

One of the most important roles for us as parents and educators is to raise responsible, independent children—this can be tough because our natural instinct is to care for and nurture them. However, parents shouldn't wait until children are ready to leave home before they give them responsibility. Training for independence needs to start from a young age and continue into the teenage years. Encouraging independence in children is not just good training for adulthood, it is one of the best ways to promote self-confidence. When we teach children to do jobs for themselves we demonstrate our faith in them and send a powerful message that they are capable. Our actions definitely speak louder than words.

## SOME USEFUL IDEAS

- Encourage them to do routine household and family activities e.g tidying bedrooms before school, clearing away dishes, preparing after-school snacks.
- Encourage them to take responsibility for their own homework tasks. Put young children in charge of their reading and get them to remind you that it is reading time.
- Children can do quite difficult tasks if we show them how. Break complex jobs, like making a bed, into simple tasks like arranging teddies and the pillow, progressing to smoothing out a doona and so on.
- When children can tell the time, teach them how to use an alarm clock so they can get themselves up and regulate their own morning routine.
- Be alert to children's readiness and willingness to do for themselves then consider letting your child take over. Ask yourself: 'Is my child capable of doing .....?'
- Encourage them to prepare their own breakfast and put their own lunch in their schoolbag.
- Show older children how to operate the washing machine and microwave. These are two essential time-savers for busy working parents.
- The most effective way to promote responsibility in children is to give them responsibility.

## Sacred Heart .... "Promoting independence in children...."

In this Lenten time what better way to start or continue your child's journey to adulthood than to encourage and promote independence by undertaking some of the ideas listed.

*"It is not what you do for your children, but what you have taught them to do for themselves, that will make them successful human beings."* (Ann Landers)

*"What we are today is result of our own past actions; Whatever we wish to be in the future depends on our present actions; Decide how you have to act now. We are responsible for what we are, whatever we wish ourselves to be. We have the power to make ourselves."* (Joan Didion)

## “York St and Margaret St Pick up”

Parents, Grandparents are reminded that our school has significant challenges with parking and pickup after school. If you need to speak with a member of staff please park in the designated areas. If you are in a pick up zone after school please remain in your car and teachers will arrange for your child to be sent to your car.

Parents who arrive after 3.15pm will find pickup a far easier process.

### School Families - Kinder 2020

All school families who have a child who is 4 years of age as of the 1<sup>st</sup> January 2020, please complete an enrolment form from our school office ASAP. I would also encourage you to make contact with families and friends who you know are looking at enrolling their children at S.H.S. to also make contact with the school as soon as possible.

- email [shsl@catholic.tas.edu.au](mailto:shsl@catholic.tas.edu.au)
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

## Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

## WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

### How to apply for a WWVP and Number

1. Complete the online application form [www.justice.tas.gov.au/working\\_with\\_children](http://www.justice.tas.gov.au/working_with_children)
  2. Print the "Application Receipt" which is generated when the application has been completed in full
  3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity
- Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

## Reminder - Before School expectations

Even though it is a parent responsibility to make arrangements for the supervision of your children before 8:30 a.m., S.H.S. offer an arrangement for families who need their children to be arriving at school earlier.

- ☐ Mrs. Deb Scott will be at school from **8:00am** each school day for any students.
- ☐ **Students are not to arrive before 8am**
- ☐ If a student is here before 8:30 a.m. they need to go to the Gym. **The cost will be \$2 per child per day, which needs to be paid as the student arrives at the Presentation Gym.**
- ☐ The child's name will also be recorded on an attendance sheet on a daily basis.

**Reminder that dogs are not permitted on the school grounds without prior permission from the Principal**

## TOILET ACCESS AFTER HOURS

Student toilets are locked daily at approximately 3:15pm-3:30pm. There is a toilet located in the administration building, which is opened until 4:00pm daily.

## Grade 5 Camp

On Monday Grade 5s went to Camp Clayton for two nights. Everyone enjoyed the activities but the favourite ones were the Giant Swing, Gaga Ball and the Flying Fox. On the second day we swam at Splash Aquatic Centre and slid down the big water slide. On the last day we had a choice of four activities. They were: walking along the beach trying to find little crabs, challenge course, playing in the gym and archery. We had the best time ever and we hope that others will enjoy it too!

### Give Lent 100%

Eldest students were given a Project Compassion box to take home this week. These boxes are to collect money for Project Compassion. Project Compassion is run by Caritas Australia: The Catholic Agency for International aid and development. Through your generosity during Project Compassion this year you are empowering communities with hope and helping those in great need to shape a better future for themselves, their families and their communities.

We will be helping people like Michaela (Australia) who is a 21 year old trainee at Purple House, a dialysis centre in the Central Desert for people suffering from kidney disease. With our support Michaela is helping to build a social enterprise, a connection to culture and a new outlook for the chronically ill.

We ask that all Project Compassion boxes be returned no later than next term.

Thank you for your support.

# ATSI EXCURSION

On Friday the 1st of March, Sacred Heart hosted the Northern Catholic Primary School's cultural day. This is a fantastic day where our Aboriginal and Torres Strait Islander students gather together to enjoy cultural activities. On Friday 55 students took part. We began the day with Uncle Hank and Uncle Murray doing a Welcome to Country around our fire pit. We learnt about the significance of smoke and everybody was given some ochre on their face. This was followed by a walk up to the Gorge, which historically was the meeting place for Aboriginal family groups. Here Uncle Hank shared knowledge about bush tucker and the students had the opportunity to feel wallaby fur and a waddy and smell mutton bird oil. Then Uncle Hank showed the students a special game that he liked to play as a child. Uncle Murray brought out the students' artist abilities and they painted with ochre and drew with charcoal. Marcia taught students stringing which everyone found relaxing. Lunch saw all 55 students thoroughly enjoy the new playground and it was a lovely social time between the schools. At the close of our time together we were treated with Uncle Hank playing the didgeridoo.

## Seasons for Growth Grief Program

Learning to live with change and loss

Our school has over recent years offered Rainbows as a program to support children dealing with Grief and Loss in their lives. For the last two years we have been working with CatholicCare and are able to offer a similar program called Seasons for Growth, where young people may benefit from learning how to manage these changes effectively. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

We are pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who attend.

The Seasons for Growth Program runs for eight weeks and each weekly session is 40 – 50 minutes. The program concludes with a 'Celebration' session. Later in the year each group will have the opportunity to meet for two further session to build on their learning.

**We are offering sessions for all age groups and the different levels will be offered throughout the year beginning soon.**

If interested for your child, please contact me so I can pass on the CatholicCare forms to you for you to complete or pick up from office. Once received, I forward these forms directly to the CatholicCare facilitator Chloe Bayly.

If you require any further information please do not hesitate to contact me.

Kind regards, Helen Halley

## Wellbeing Support

At Sacred Heart School we offer different types of Wellbeing support for the students and families. My role at SHS is one of support - for your child to know that I am someone they can chat to and be supported by in working towards their own wellbeing goals. Sessions are held in my office, in a confidential environment on a regular or semi-regular basis depending on the needs and goals of your child.

I feel very fortunate to have SHS designate two days a week for me to offer this in my capacity as an experienced teacher as well as my recent studies in Counselling, play and sand play therapy, creative therapies, Peaceful Kids, Mindfulness, Tuning In, supporting anxious children, grief and loss, trauma and My Tern training.

If this is something you want for your child, I am very happy to meet with you if you wish to touch base with me about your child or your current situation - just email me to make an appointment. Alternatively, we can communicate via phone by calling the school or you can email me at [helen.halley@catholic.tas.edu.au](mailto:helen.halley@catholic.tas.edu.au)

Kind regards, Helen Halley
