Mother's Day

Celebration

2019

Wednesday May 8

1:30- 3:00pm

From the Principal:

A time to reflect and give thanks....

"Learning without reflection is a waste. Reflection without learning is dangerous." (Confucius)

School holidays are different in my family nowadays. With both our adult children studying in Melbourne we find ourselves with more time for ourselves. Holidays have always been an opportunity to stop, slow down and reflect. The Term 1 holidays included both Holy Week and ANZAC Day. Both of these events enabled me to consider the question "Why do we recognise these events each and every year?"

Easter Sunday is the culmination of Holy Week. Holy Week is the most important week in the Church's year. Easter commemorates the resurrection of Jesus Christ. It is our most important Christian festival, and the one celebrated with the greatest joy. As Christians we believe that the resurrection of Jesus changed something fundamental about the world and humanity. It demonstrates that life triumphs over death and that love conquers evil.

Each and every time I reflect on on the importance of the Easter season I am drawn to considering my life. As a dad, husband, brother, friend, principal and member of Australian society I wonder how do I live my life? What am I grateful for? What am I proud of myself for? What can I do better? How can I help improve the lives of others? What needs changing in my life now?

After all I am the only person who can change myself and the way I live my life.

ANZAC Day has grown in significance with each passing year. I'm sure many of us wondered what would happen as some of the World War 1 veterans died. Would we still spend time honouring their legacy? Would the crowds still turn up to march and attend commemorations? Would children attend in school holidays?

My big 'takeaways' from last Thursday included

- ✦ Australians are enormously proud and respectful of what servicemen and women have done, and continue to do, for our country.
- ✦ Our children understand why it is important to provide a visual presence on ANZAC Day.
- ✦ Our families value the opportunity for the children of Sacred Heart to march, and give thanks, on one of Australia's most important days.
- ✦ I was proud to march alongside the children, parents and children of our school community.

A time to reflect and give thanks....continued

“As we commence Term 2 at Sacred Heart I know I am privileged to be working with and for the children of Sacred Heart. I know our school community is a remarkable community made up of people who continue to work for the common good. This term when moments arise that challenge us, view them as opportunities for learning and growth, just as Jesus did 2019 years ago. Let's all be thankful that we live in a country where others have sacrificed their lives for others, let's all be grateful that we cohabit a school community that aspires to support the children to live their lives as Jesus challenges us.

“Aspire not to have more, but to be more.” (Oscar Romero)

“I have come so that you may have life and have it to the full.” (John 10:10)

ANZAC Day

Thanks to the children, parents and staff who represented our school at the ANZAC Day ceremony last week.

Gala Day

Grade 5 and 6 are participating in their second Gala Day for 2019 on Friday 10th May. All children have the opportunity to choose from Netball, Soccer, Football and Tabloid Sports. We play against Launceston Catholic schools and some independent schools.

Our school prides itself on promoting exceptional sportsmanship, enjoying the company of team mates and opposing schools, learning new skills, improving previous skills, a healthy attitude and participating in competitive sport.

Good luck to all of our teams.

NO Assembly next week

There will be no assembly next Friday 10th May because of the Gala Day.

Winter Uniform

Welcome back to Term 2. Thanks to the parents for ensuring children were beautifully dressed to start our term. Parents and children are reminded that ALL children are required to wear their school jumpers to and from school on Winter Uniform days. Thanks for your support.

“York St and Margaret St Pick up”

Parents and Grandparents are reminded that our school has significant challenges with parking and pickup after school. If you need to speak with a member of staff please park in the designated areas. If you are in a pick up zone after school please remain in your car and teachers will arrange for your child to be sent to your car.

Parents who arrive after 3.15pm will find pickup a far easier process.

Emergency Practice

Within the next 8 weeks we will hold an unannounced emergency practice with staff & students, to test our response to a potential scenario that staff identify a threat warranting the school go into lockdown (opposite to evacuation).

Like for fire evacuation drills, we recognised the worth to test this process.

We have plans in place to make this practice as least disruptive as able.

Note for the practice we will have some police officers and other visitors attending to observe.

If you have queries you are welcome to call our Safety Officer Simon Natoli on 0400 105 476

Many of our students and classes will be competing in the

Launceston Competitions

which begin this Sunday.

The following information you may find useful for those wishing to be part of the audience.

Door Prices: Adults \$10, Concession \$5.00 Children 16 & Under \$5.00 (no EFTPOS facility so it is necessary for patrons to have cash to pay the admission fee.)

Arrival: It is important to arrive at the theatre in time to purchase tickets and enter the theatre. If there is a choir or item on the stage patrons will not be admitted until the entrant has completed the item. It is disappointing for parents to have just missed their child performing, so please ensure they arrive in plenty of time.

Merit Certificates: The Adjudicator of each section will set a standard indicated by the marks awarded, which will be announced prior to the commencement of each section. If a competitor reaches or passes this standard, a Certificate of Merit can be purchased as a permanent record of that achievement. The cost per certificate is \$1.00 and there is no limit on the number that can be bought. Enquiries may be made at the Secretary's office.

Photography: For the safety and protection of competitors photography or recording of any kind is strictly prohibited in the theatre. No performance is to be videoed, photographed, recorded or uploaded to social media.

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine access.

SCOOTER CAMP

Over the holidays Wilfred McKibben (from Grade 1 Foster) attended the Australian Scooter Association National Championships in Brisbane. The competition was held at the indoor skate park, Ramp Attack. On Friday 26th April Wilfred was one of 11 boys from around Australia to compete in the under 7's. Each competition has x2 45 second runs, where they are scored on style, consistency, diversity, difficulty and use of park. Wilfred is 5th in Australia under 7's and number 1 in Tasmania under 7's.

Congratulations on your wonderful achievement Wilfred.

ANZAC DAY

Grade 2 visited the Launceston cenotaph on Tuesday to conclude our work on ANZAC Day and significant places. A huge thanks to the parents who joined us and especially to Luke Cameron who spoke about his time in the Air Force and showed us some very interesting medals and war memorabilia.

Seasons for Growth Grief Program

Learning to live with change and loss

Our school has over recent years offered Rainbows as a program to support children dealing with Grief and Loss in their lives. For the last two years we have been working with CatholicCare and are able to offer a similar program called Seasons for Growth, where young people may benefit from learning how to manage these changes effectively. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

We are pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who attend.

The Seasons for Growth Program runs for eight weeks and each weekly session is 40 – 50 minutes. The program concludes with a ‘Celebration’ session. Later in the year each group will have the opportunity to meet for two further session to build on their learning.

We are offering sessions for all age groups and the different levels will be offered throughout the year beginning soon.

If interested for your child, please contact me so I can pass on the CatholicCare forms to you for you to complete or pick up from office. Once received, I forward these forms directly to the CatholicCare facilitator Chloe Bayly.

If you require any further information please do not hesitate to contact me.

Kind regards, Helen Halley
