From the Principal:

“Half-Time at Sacred Heart”

“What counts in life is not the mere fact that we have lived. It is the difference we have made to the lives of others that will determine the significance of the life we lead.” (Nelson Mandela)

Tomorrow marks the end of Term 2. Ten weeks have passed by very quickly. Our school community has much to be proud of in the past term. Our achievements include:

- Sacred Heart Feast Day Mass
- Sacred Heart Feast Day Activities and SHS's Got Talent
- Class Masses and Liturgies
- Mother's Day
- Launceston Competitions - where more than 200 SHS children participated
- Completion of our new Playground
- Cross Country Carnivals - Early Childhood, Primary, NIJSSA, All-Schools
- Kindergarten 2020 Interviews
- Gala Day Sport - Winter Roster for Grades 5 and 6
- Class Excursions
- Cross Country Training
- City Park Radio
- Strings and Band Soirees
- School Photos
- Ten weeks of Teaching and Learning

We acknowledge for these celebrations to take place it requires members of the community to contribute to SHS. We are indebted to the parents, grandparents and friends who consistently volunteer time, wisdom and energy to contribute to helping out. People who contribute to the common good of our community strengthen our school. Our children are the beneficiaries of your support. Schools should be an extension of your families. Schools should be places where children are able to be challenged, learn from others, learn about love, learn about themselves, learn about the world and understand that they are a part of a world that they can contribute to. Schools are always more effective communities when many people make contributions to children's education.

Along with this list of celebrations we continue to acknowledge that our teaching staff continue to provide the children of Sacred Heart with the best possible learning opportunities. Our teachers spend many hours planning, reflecting and preparing for our children. Teaching is not a 9am – 3pm job. There are so many additional responsibilities, meetings and preparations that are required. Teachers are required to understand so much about each and every child they teach. Our teachers don't always get things right, but they will always strive to provide the best possible Catholic education for the children of Sacred Heart. Equally we acknowledge all of our support staff and the very significant contributions that they make to our school.

Each one of these events adds to the “learning and teaching program” that every child has enjoyed in the past two terms. For now it is time to stop, give thanks to all of our community for your contributions to school community. Every event requires a contribution by many. When you have a moment these holidays acknowledge and give thanks with your children “how lucky they are to be a part of Sacred Catholic Primary School”. For a moment reflect with them if they had been born in one of the less fortunate places of our world. And when the time is right, prepare your child for what lies ahead in Term 3 and 4 by challenging them to set new learning and behavioural goals.

Our community should be extremely proud of the fact that by and large our place is a positive, supportive and extremely welcoming place. We will continue to thrive and grow the better we work together, with the same approaches and understandings about the important elements of helping our children grow into functional and healthy young men and women.

To each and every member of our community enjoy your break and in particular enjoy the time you have with your children.

“ *Small acts when multiplied by millions of people, can transform the world.*” (Anonymous)

“*As water reflects the face, so one’s life reflects the heart.*” (Proverbs 27:19)

“*Follow effective action with quiet reflection. From the quiet reflection will come even more effective action.*” (Peter Drucker)

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine

On June 19, 48 students from grades 3-6 represented our school in the NIJSSA Cross Country at Windsor Park. Sacred Heart did a terrific job at cheering, congratulating and having a go. Thank you to everybody in the teams for helping Sacred Heart win the event for the seventh year in a row. Also, on June 25, many Sacred Heart students came along to run Symmons Plains. Everyone did a fantastic job and they all tried their best. It is a very long way to run, so congratulations on everyone who thought that they would give it try. Running might not be their thing, but they pushed themselves which shows a lot of persistence. We would like to thank Mr Anderson, Mrs Davie, Mr Wilson and Miss Murphy for attending the carnivals and for Miss Best for coming to Brickfields morning training sessions.
