From the Principal:

"Awesome"

"Nothing is permanently perfect. But there are perfect moments and the will to choose what will bring about more perfect moments." (Mary Balogh, Simply Perfect)

It is a wonderful experience to see something that takes your breath away. It may be a beautiful night sky, the majesty of a mountain, the might of the ocean or the music of a dawn chorus. We call this emotion 'awe' and researchers have discovered that feelings of awe can actually make our bodies and minds healthier and stronger.

For our own well-being, we need moments when we are struck with wonder. For that moment, time seems to stop and we experience feelings of pleasure, amazement and excitement.

Often our deepest feelings of awe are found in simple moments of nature – the intricacy of a butterfly's wing, a perfect rose, a thunderstorm, a waterfall and a new-born baby.

We all need to find feelings of awe in the world around us. We can do this by exploring our natural world and learning more about it, getting a sense of something bigger than ourselves, opening our eyes to the wonders around us.

How can we find moments of awe? Spend time out of doors – there are marvels at every step. Visit a museum to learn about the vast world. Change your routines so you see different places and views. Watch people doing amazing things – in sports, in works of art, in dance and music. Many people do incredible things and they are around us every day.

A child gazes in wonder at the moon. Our world is full of such wonders as long as we keep our eyes open and our minds full of curiosity. Teachers and parents are fortunate, each and every day our children engage in experiences that provide us with the opportunity to witness them learning, watch them experience something for the first time, see them overcome something that may be difficult. Each one of these moments is a privilege that all of us should savour. Our children are only children once, enjoy the moments of awe that they create.

There are lots of good things in our world. There are lots of great things. There are also many things that are truly awesome. Before you use that word again, try to find something that has filled you with the inspiring feeling of awe.

"All this he saw, for one moment breathless and intense, vivid on the morning sky; and still, as he looked, he lived; and still, as he lived, he wondered." (Kenneth Grahame, The Wind in the Willows)

Principal's Meetings

Tasmanian Catholic School Principals, of which we represent 38 schools, gather 4 times a year to discuss, discern and listen to a broad range of matters that relate to our Catholic schools. Next week we will gather for the third time this year.

I will be at these meetings from lunch time Wednesday till the end of the week. If you have any compliments or challenges, in my absence, please contact our Deputy Principal, Adele Murphy.

Emergency Practice

Within the next 6 weeks, whilst at recess or lunch we will hold an unannounced emergency practice with staff & students, to test our response to a potential scenario that staff identify a threat warranting the school go into lockdown (opposite to evacuation).

Like for fire evacuation drills, we recognised the worth to test this process.

We have plans in place to make this practice as least disruptive as able.

If you have queries please call our Safety Officer, Simon Natoli on 0400 105 476

We can do this by being friends with everyone. By being welcoming, encouraging, kind, helpful and a team player. We played MJR Bingo, which was fun. We learnt about many MJR words and sayings and how we can live them out in our school and homes.

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine

IMPORTANT NOTICE Under 16 Homelessness Taskforce

The State Government has created a Taskforce to help address homelessness for children and young people under 16 in Tasmania.

The Department of Communities Tasmania are helping the Taskforce by asking children, young people, parents, carers and services about their experiences and ideas on what might help to improve under 16 homelessness in Tasmania.

The Department of Communities Tasmania want to make sure that all children, young people, parents and carers of children that have experienced homelessness have a voice.

Everyone that takes part in these confidential surveys will have the first opportunity to see the solutions that the Taskforce develops.

The survey will take around 10 minutes to complete and can be accessed at <https://www.surveymonkey.com/r/32F5KGS>

The survey will be open from 22 July to 20 Sept 2019
