Celebrating Confirmation - "The Joy is in the journey"

"Life is a journey with problems to solve, lessons to learn, but most of all, experiences to enjoy." (Anonymous)

Most of us remember major celebrations in our lives. Whether that is birthdays, sacramental celebrations, weddings, our children's birth, sporting finals, musical concerts and major holidays, each one of these has common threads.

Each one of these events requires careful planning, preparation and in some cases training. Occasions such as these rely on a number of people contributing to the overall success. Ultimately it is rare for events such as these to end with a positive outcome unless a number of people work for the common good.

On occasion we can be swept up in the moment of looking too far forward to the end destination without remembering to enjoy the experience of the here and now. Earlier this week I listened to one of my daughters share her experience of a recent walking trek. In the course of the 6-hour expedition she was left with blisters and sore legs. Her positive response to the experience reminded me of the importance of identifying the truly wonderful things that we all experience in our lives. She recounted that regardless of the tired legs and blisters her day had been special because of the company she enjoyed and the superb scenery she viewed.

For me one of the greatest privileges of leading Sacred Heart Catholic Primary School is watching the ongoing growth of students, staff and parents. In the past three years I have watched and admired our school community participating in a plethora of activities. Sometimes those actions didn't go according to plan, sometimes people have cried or laughed. Most importantly, in our school community, our challenge is to constantly look for self-improvement. In 2019 our teaching staff established, and are consistently reviewing, their own goals that are designed to improve their own teaching and in turn improve student outcomes. Equally, each year we challenge parents to work with children and teachers to establish goals for their children's learning. As teachers we consistently reflect on the successes that we attain on the way to our ultimate goal.

We all know that each one of our children is on a learning journey. (Indeed as adults we too never stop learning). Your children and mine will always learn at different rates. Celebrate the journey with them, because in a blink of an eye they will be children no longer.

Principal's Meetings

Tonight 21 of our Sacred Heart children will celebrate by receiving the Sacrament of Confirmation. We know tonight they will be confirmed, we should congratulate our children as they reach this very important milestone in their life. We should also take time to remember what they have been expected to do, how and who has supported them and just as importantly, remember that this is but one step on their faith journey.

CongratulationsLuwanna Beeton, Ava Boyle, Solomon Boyle, Riley Bradford , Heidi Brewer, William Brewer, Colby Crawford, Thomas Davie, Xavier Davie, Hamish Gardner, Jasmine Graham, Tyler Graham , Seb Hardinge, Benjamin Hiscox, Elliott Hodgetts, Lincoln Hodgetts, Daisy Johnson , Amelia Lowe , Ivy McCullagh, Ashton Mahar , Amelie Miller, Harrison Millwood, Tomasz Szyrka , Thomas Tanton

"Focus on the journey, not the destination. Joy is found not in the finishing an activity but in doing it." (Greg Anderson)

Uniform Survey

The Sacred Heart Catholic School Board formed up a Uniform Team that consists of parents, staff, board members and a student of SHS. The Team are collecting feedback from the school community to help inform the Board about our school uniform.

Included below is a survey that we are hopeful all families will take 5 minutes to complete.

Emergency Practice

Within the next 6 weeks, whilst at recess or lunch we will hold an unannounced emergency practice with staff & students, to test our response to a potential scenario that staff identify a threat warranting the school go into lockdown (opposite to evacuation).

Like for fire evacuation drills, we recognised the worth to test this process.

We have plans in place to make this practice as least disruptive as able.

If you have queries please call our Safety Officer, Simon Natoli on 0400 105 476

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine

Survey

"Are you aged 10 to 17 years old?

Would you like to take part in a research study looking at how young people think, problem-solve, and act at home and at school?

University of Tasmania Psychology Honours students

Natalie Ling and Katie McBain.....

Supervised by researchers Assoc Prof Nenagh Kemp and Dr Kimberley Norris, are running a study looking at these skills in young people who were born prematurely, as well as those who were born "on time". If you want to take part (with your parents' permission!), you'd attend a session of 1-1.5 hours, and do some face-to-face tasks with the researchers, as well as you and your parent filling in some questionnaires about how you think and act at home and at school. The research team will be travelling from Hobart to run assessment sessions at the Newnham UTAS campus on Friday 30th and Saturday 31st August.
