From the Principal:

"World Teachers' Day"

"Teachers encourage minds to think, hands to create and hearts to love." (Anonymous)

Last Friday was World Teachers Day in Australia.

When people remember individuals who have helped them, teachers are often at the top of the list. Teachers shine a light ahead to places that students can't yet see: a place where students find their unique talents and use them.

Teachers help students reach their potential. A teacher doesn't just provide lessons and assessments; a teacher is also a motivator, a psychologist, a crowd-control expert, an IT expert, a performer, a nutritionist, a literacy advocate, a nurse, and a recipient of shiny apples and the pure love of a grateful child. Besides the usual note-passing, the occasional disagreement, teachers need to know how to handle the greater challenges that come with 21st-century living, like the use of social media, family challenges, and explaining complex world events. But most importantly, teachers give unwavering encouragement, guidance and support to the students who pass through their classrooms.

More is expected of our teachers today than ever before. Individualised planning, regular communication, a requirement to consistently update their professional learning to assist in their understanding of your children and how children learn best.

Our roles as teachers in Catholic schools firmly place us as partners in the Church's mission to share the Good News: to invite students into a relationship with Jesus and to form them as Christians who have a sense of themselves and others and who work for a better world for all to share.

As Principal of Sacred Heart I am proud of our staff. Proud because they are always challenging themselves and one another to provide the best possible opportunities for the children they teach, they seek to understand the needs of children and they aspire to be better teachers each and every day.

"A teacher affects eternity, and can never tell where the influence stops." (Henry Brooks Adams)

Next Week

Next week I will be meeting with all Tasmanian Catholic Principals. I will be away from school from lunchtime Wednesday till the remainder of the week. Please contact Adele Murphy if you have any compliments or concerns.

Uniform Update

Thanks to the 130 families that responded to the Uniform Survey last term. The Sacred Heart Catholic Primary School Board have asked the Uniform Team to spend more time analysing the results. The Uniform Team will be meeting later this term. We will share the survey results with the community after we have met.

The Board have decided that for 2020 there will be NO changes to the current school uniform.

Parking around our school

I received an email from a parent this week with a concern regarding parking at Sacred Heart. The concern indicated that they had come at 2.30pm to collect a child for a specialist appointment and there was no parking available in York Street. There were no spaces available to park because cars were parked in no parking zones that are clearly marked this way from 2.30pm - 3.30pm. The parent concerned was late to the appointment.

We all know that parking is a challenge at Sacred Heart. We also know that as a school community 'respect for others' is one of our values. Please take a moment to consider the impact on others when making choices.

5/6 Basketball Championships

Congratulations to our Grade 5/6 Basketball teams who represented our school last weekend. The 8 teams are to be commended for their excellent sportsmanship, display of skills and team spirit. Thanks to the many committed parents and former pupils who coached out teams. Thanks also to the large number of parents and SHS community members who came along to support our teams.

Congratulations especially to
5/6 Davie Second in Division 1 Girls
5/6 Wright Third in Division 1 Boys
5/6 Powell Third in Division 2 Boys
5/6 Frerk Third in Division 3 Girls

15 Teams with over 120 children playing, some for the first time, across two weekends is an outstanding reflection on our community, one in which we should celebrate.

NIJSSA Athletics Carnival

Best wishes to our team who are competing at the NIJSSA Athletics carnival at St Leonard's tomorrow.

SHCS Chess Trio Champions shine at state chess championships

Luwanna:

Chess was so much fun and an amazing opportunity. I would encourage others to play. Chess teaches you to think strategically and laterally. My team came 1st. I was top junior female and overall 2nd place in the whole of Tasmania U12s. It was so exciting and I would definitely do it again!

Bayani:

My favourite part at the tournament was definitely coming 3rd place in the state just behind Luwanna out of 76 kids! It was super fun just to play and I hope I can do it again next year!

Mitchell:

Playing at the chess tournament was great because I got to see my old friends and got to chat with them. My team came first but I missed getting a trophy by ONE point. Luwanna and Bayani got a trophy and two other people got trophies too. Playing in the chess tournament was exciting and I would definitely do it again!

Andrew Chinn Concert

On Friday Nov 8, Australian religious songwriter and singer, Andrew Chinn, will be visiting our school to share his songs with our children. Andrew's songs, such as "These Hands", "Rainbow", "An African Blessing" and "Rise Up!" are used in classrooms and liturgies around Australia, New Zealand, USA and Canada. Parents/parishioners are warmly invited to be a part of the celebration of faith and fun. There is no charge for adults. The concert will take place in the Presentation Hall, at 1:50. We look forward to seeing you there.

Student absences

If your child will be absent from school please remember to either:

- call the School office on 63311011
- email shsl@catholic.tas.edu.au
- use the Skoolbag app, fill out an eForm
- advise their teacher

If you arrive at school after 9am your child must be walked into the office via the York Street gate and report to the school office to update our records and avoid unnecessary absentee text messages.

It is a legal requirement that parents are expected to advise the school as to why their child is absent.

Signing students out during the day

- You must sign your child out if you need to pick them up from school for an appointment or for your child to leave early.
- Please pre-arrange this with your child's class teacher and the teacher will send your child to the office at the required time so you can collect them from the office and sign them out.

WORKING WITH VULNERABLE PEOPLE REGISTRATION

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.

Fire Alarm

A reminder that if in the instance a fire alarm is sounded whilst parents are on the school site, you are required to assemble on the oval. Students remain with teachers as part of the process is for the staff to ensure all students are accounted for. If parked on York when the fire engine arrives it is vital that you vacate the area to allow the fire engine access.
