## What Legacy Will We Leave?

*"It takes a whole village to raise a child..." (African Proverb)*

Last term we conducted interviews for our Kindergarten 2021 children. When families come to our school community we discuss a broad range of matters. First and foremost our discussion centres on enrolment at a Catholic school. This means that when we enrol our children, or in the case of staff take up employment, we agree to support the mission and vision of the Catholic Church.

Enrolment means supporting all aspects of our school, not just the ones we want to. Ultimately this will mean that at times we will be challenged by some aspects or some people in our school, as a member of any community that is to be expected. Just as in families we don't always get along with one another, so in schools there are times when things don't "work out" as we would want.

In Catholic Schools we are taught that we are all created in the image of God and indeed we are all created equally. This means we can't pick and choose who we are nice to, we are challenged to be respectful to each and every member of our school community regardless of how they may treat us or our children. The beauty of attending Catholic Schools is we are not exclusive, which means we do enrol children from many different faiths, we enrol children from many different walks of life. Each child that attends our school will most likely have differing expectations at home. At our school though each child and adult is required to support the ethos and mission of our Catholic school.

Just as we know some children learn to read or write or walk or jump at different rates so do some children learn to respond to behavioural norms at different rates. We know that when it comes to spelling some children will take much longer to learn how to spell words. Equally some children need more support and encouragement when learning the appropriate way to behave. Research also tells us that children learn best when they are explicitly taught and encouraged how to cohabit and behave within a community.

As adults it will always be our role to support, encourage, explicitly teach and respect that children need encouragement when learning. When adults respond as poor role models by speaking negatively about other children or adults we are showing children that it's ok to be disrespectful about others. We always encourage our children of Sacred Heart Catholic Primary School to use their respectful words when addressing a concern.

## What Legacy Will We Leave? (Con't)

---

Presentation Sisters established our school 145 years ago. In 2075 our school will be 200 years old. The people of our school who are currently enrolled as children will no longer be children in 2075, the staff of our current school will no longer work here and the parents of our current school children will also no longer be connected to the school as parents. What will be the same is the same core values that were established in 1875, respect for ourselves, others and learning.

The challenge we all have as the current custodians of this school is to enhance the qualities of others by living our lives as Jesus demonstrated. We are required to leave a legacy that serves others through actions. Look around our school this week and challenge yourself to be Christ like in the way you deal and think of others, our children are watching us so they too can reflect the face of Christ.

*"What counts in life is not the mere fact that we have lived. It is what difference we have made to the lives of others that will determine the significance of the life we lead."* (Anonymous)

## Wendy Nas

---

Tomorrow is Wendy Nas' last day as a teacher at Sacred Heart. Tomorrow will be an opportunity for the children and staff of our school to give thanks to Wendy for her very significant contribution to our school for almost 20 years. Wendy has taught more than 500 children in that time and left behind a lifetime of memories for many years to come.

Tomorrow at our assembly we will be farewelling and giving thanks to Wendy. Parents may wish to join us via Zoom. The link is <https://catholictas.zoom.us/j/92280089450>.

Our assembly commences at 2.05pm.

Thanks Wendy for all that you have been, all that you are and all that you have done for the children and community of Sacred Heart.

## Athletics Carnival

- Our dedicated staff who encouraged and challenged our children throughout the day.
- The children of SHS for their exceptional attitude, team spirit and sportsmanship
- John Anderson for planning and orchestrating another exceptional event. Our school is blessed to have such a dedicated and talented PE teacher

**Congratulations to Young House for achieving champion house for 2020**
