## Term 3 On Reflection

*"Success isn't about how much money you make; it's about the difference you make in people's lives." (Michelle Obama)*

Tomorrow marks the end of Term 3 2020. Another 10 weeks of learning complete, another 10 weeks of building and enhancing relationships.

We have much to be proud of in the past 10 weeks. Some of our achievements include:

- Class Masses and Liturgies
- SHS Feast Day
- Afternoon Tea with the Principal (ATWTP) July, August and September
- Grade 3-6 Athletics Carnival
- Grade 5/6 Sports Mini Gala Day
- Class Excursions
- Strings and Band Soirees
- Ten weeks of Teaching and Learning

COVID restrictions have challenged all of us. As a school we have continued to work towards keeping a safe school environment under the restrictions we are required to follow.

Each one of these events is a significant reflection of the tireless work that parents, children, staff and friends contribute to our school. Each one of these achievements deserve recognition and celebration. Each one of these occasions is a collective effort of many.

We should also remember that in the past 10 weeks we have been challenged to reflect on our own journey as members of the community of Sacred Heart. We should reflect on how we have participated in Term 3. As members of a Catholic school community we are called to reflect on "how we interact with others".

Consider for a moment how you have worked to develop, improve and enhance the relationships you have with others.

- What do I bring to the SHS community?
- What skills and talents do I or should I be sharing with SHS?
- What am I grateful for at SHS?
- Do I take the time to smile and acknowledge others each day?
- Am I a forgiving person?
- Am I respectful and compassionate towards all of our community?
- How do I demonstrate hospitality towards others?
- Do I look for solutions or for blame?

## Term 3 On Reflection (con't)

To each and every member of our community enjoy your break and in particular enjoy the time you have with your children. We all look forward to Term 4 and the exciting and memorable moments that this brings.

*"Give of your hands to serve and of your hearts to love." (Mother Teresa)*

## Sports Colours Day

Tomorrow is the final day for children of Term 3.

- Children are welcome to wear 'Sports Colours', or any other casual clothes on this day. Children may choose to wear netball, basketball, hockey or footy colours, or any other sporting interests on this day.

- Children are reminded that they should wear sensible footwear on this day.

- Please remember a gold coin donation, Mini Vinnies are supporting the women of the Philippines with the proceeds

- Remember Subway orders need to be completed by 11.30am Thursday

- Dance away from the Heart (Mr Nas' world famous Rock and Roll Night becomes Rock and Roll Day)

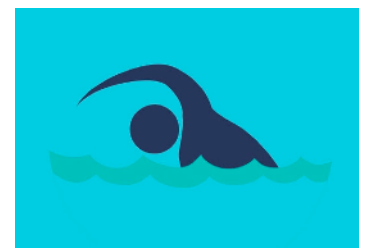

- Sticker and Pencils collection for City Mission

## Learn to Swim - Term 4

We recently met with Launceston Aquatic Centre to discuss the arrangements for Learn to Swim in 2020. LAC's COVID restrictions impact our school as we are unable to have as many children in the pool for the dates available. This means that in 2020 there will be less classes participating in LTS in 2020.

After careful consideration we have decided that the 2020 LTS program will only be available to Prep - Grade 2 children. Grade 3 and 4 children will not participate in LTS this year. We understand that this may bring some disappointment for some children. Our Grade 3 and 4 teachers are planning on providing an extra excursion in Term 4.

More details will be provided on LTS in Term 4.

## Book Week

Book Week this year has been changed to October 17th - 23rd.

At Sacred Heart we will celebrate this on Wednesday 21st October with a parade - children and staff dressing up as their favourite book character.

The theme this year is **Curious Creatures, Wild Minds**.

## Carry the Lantern with Dignity, Courage and Compassion.

This week I have spent time in reflection. We are now at the end of Term 3 or 2020. No one could have anticipated what this year has presented us with and now at the conclusion of this term we are thankful for so much. We are thankful for the smaller things that perhaps we took for granted.

This term I am thankful for being able to celebrate with prayer, excitement and passion our Sacred Heart Feast Day. I am thankful for having full, healthy classes of children all across our school. I am thankful for being able to take the children on excursions and most recently attend a Religious Mini Colloquium with Catholic school teachers from across the state. I am thankful for the wonderful service of Father Chatty within our classes and school. What once were events I took for granted, I now recognise as a gift.

Across our classes this term we have been developing our understanding and faith through our Christian Life unit. Here we are able to consider the gifts of God, the gift of life and the gifts we can share with others to reflect Jesus.

We thank you families for supporting your children in their learning journey, where they are challenged to grow in love for all. We look forward to an exciting, faith filled Term 4.

Happy, safe holidays to you all. May you enjoy all the gifts our beautiful state has to offer.

Peace, love and happiness,  
Anna Davie

# TEAM COLOURS DAY

**When:** Last day of Term 3-  
Friday September 25

**Why:** To support the Presentation Sisters in their Eradication of Poverty fundraiser directed to eliminating violence against Women and Girls in Papua New Guinea

**A reminder that we are also collecting donations of  
textas and stickers for Inside Out 4 Kids**

Today in M.J.R my class watched a video clip of a man named Michael Ketterer. This man sang really well with a really nice voice but he did it for a reason. Michael sang for all 6 of his foster children and his wife. Michael Ketterer was showing the spirit of Jesus. This is an act of kindness.

Today in M.J.R my class also traced our hands and on the fingers wrote about our dreams. We wrote about our dreams because anything is possible. This is all about having a "YES I CAN" attitude.

In MJR with Mr Davie, we learned about having an I can do it attitude. We watched a clip about Kayla Montgomery and her trip through being a runner whilst having the disease MS. She had her ups and downs in life whilst suffering from MS. Whilst she was running she would fall down because her legs would go numb. She would get back up though and she would win! She never gave up and her dreams came true.

We wrote 'yes I can' in the middle of our paper and wrote quotes around it. We decorated it, we will have it laminated and we will take it home to remind us to have a 'yes I can' attitude and to never give up on our dreams.
