'Make your life a masterpiece; imagine no limitations on what you can be, have or do.' (Brian Tracy)

The penultimate week of school, with only 4 school days left. Each one of us has many memories of our school year. We would like to acknowledge and give thanks to all members of our community for your contributions to our school in 2020.

- Thanks especially to The Board and Parents and Friends for your extra significant contributions to our school.

- Thanks to the many parents and grandparents who help out in classrooms, on camps, on sports fields and in many other ways in and around our school.

- Thanks to Father Mark and Chatty for providing us with spiritual support and guidance.

- Thanks to the parents of Sacred Heart for your exceptional support, encouragement and love of your children and our school. For us a true partnership needs everyone working together for a common cause.

- Thanks to our dedicated staff for your dedication and love of your profession. The manner in which you are prepared to take on tasks is outstanding. You love ALL of our kids. 2020 has no doubt been one of the most challenging years in every staff member's career. The progress and happiness of the children in SHS would not have been possible without the passion and contributions of our staff.

- To the most important people in our school... our children. You are the reason we are all here. You inspire me to be a better person because of the people you are... Your love of learning, sense of fun and willingness to please is the reason I love my job. Your smiles and attitude to life make coming to work each day a pure delight.

Our school is more important than one person, our school will continue to thrive long after we have all gone. It is our role as the current custodians to leave our school in a better place than when we find it.

As a community we should continue to challenge ourselves. In particular we should set a high bar in the way we nurture and care for every child. It is our mission as a Catholic School to understand that part of the fabric of our being is enrolling students from all cultural and demographic backgrounds. As every child is unique... every child brings something that enhances our community.

We should all remember we learn more about ourselves in the way we treat other people regardless of how they treat us.

Our newsletter next week will be the last for 2020.

We wish all members of the Sacred Heart Catholic Primary School community a happy, safe, restful and prayerful break.

'Life is beautiful. Live every moment and be happy.' (Anonymous)

Carry the Lantern with Dignity, Courage and Compassion.

Our final full week of school is upon us. I take this time to reflect on our theme for the year. Did we “Carry the Lantern, with Dignity, Courage and Compassion”?

Throughout 2020 I have witnessed so many of our students, staff and school families go above and beyond for the betterment of not only our school, but for others in our wider community. Others have stood strong on their beliefs and the needs and rights of others. We have many children and adults in our community who have carried themselves with dignity.

Courage was certainly displayed throughout our school, our community and our state this year. Many times our Premier made courageous decisions. Our school was also courageous in tackling unknown and unforeseen times. Our children were courageous in the way they responded to new ways of learning.

Compassion for me, is something I see in the children here at Sacred Heart every day. Their genuine care and concern for each other, and the love and support they show those less fortunate is attributed to the values passed to them by their families and teachers. Fundraising appeals are always strongly supported and the children’s hand written and voiced intentions and prayers also share their wishes for a peaceful, equitable world.

In 2020 we have ‘Carried the Lantern with Dignity, Courage and Compassion’.

The Second Sunday of Advent

On Sunday the second candle was lit. This candle represents Peace. The second candle represents John the Baptist, who proclaims Jesus as the Messiah. It symbolises that God’s promises will be fulfilled in the birth of Jesus Christ, the Prince of Peace. May you be filled with peace and spread peace this Advent.

*In Peace, love and happiness,
Anna Davie (REC)*
