## Watching the children of Sacred Heart grow.....

*"It takes a big heart to help shape little minds..."*

In the past 10 school weeks we have conducted approximately 60 interviews for prospective Kinder 2022 families. There are more than 30 school families that have also applied for a place for their child in 2022. Principals will meet in the next few weeks to formalise enrolment placements.

The interviews with 'non-sibling' families are an opportunity to find out more about the child and their family, share information about our school, the process leading towards enrolment in a Northern Catholic school and what it means to be a member of a Catholic School community.

For many years our school has utilised our Grade 6 children, as student leaders, to showcase our school with a tour and conversation. We consistently receive feedback post these interviews that reminds us of how impressive the children of SHS are. Honest, polite, confident, friendly, engaging, helpful, upbeat, proud and a great reflection on our school, their families and themselves are consistently relayed back to me as words and phrases used to describe our students.

Developing these qualities takes time, perseverance, reflection and support. For some students they may come naturally, for all students it requires children to reflect on how they behave and what they need to develop. Each one of us at SHS has contributed to the children developing confidence, manners, pride and indeed all of the qualities we promote in the children of SHS.

Equally important is the role that families play in supporting their children by challenging them when their actions are less than satisfactory, challenging them to be better versions of themselves, working towards goals and acknowledging the many successes that children have. When communities work together to achieve common goals like this we will always see much better outcomes. We see children reach their potential. Thank you for what you do to support your children in becoming the very best they can be.

Imagine for a moment if families and schools didn't work together to support and encourage children to aspire to reflect gospel values? Imagine if we made excuses for poor behaviour? Imagine if we didn't correct children when they used less than satisfactory manners? Imagine if our community didn't encourage children to reflect on poor decisions? Imagine if we all didn't seek ways to be our best selves?

One of the great joys of working at SHS is watching children grow and mature into young adults that are ready to continue making a difference in the lives of others. Take a moment this week to reflect on how each one of us contributes to our future society by shaping the adults of tomorrow. Remember the adults of tomorrow are watching the adults of today, what messages will we send?

*'It takes a village to raise a child'.* (African proverb)

## **Catholic Education Transportation Survey**

---

The Catholic Education Office is seeking information on student transport. In particular they are looking at ways to improve student transport.

Please take five minutes to let us know what you think about how students get to and from school.

The review will also be looking at the attitudes families and students have towards bus transportation and reasons why they may or may not use bus transportation.

The survey closes Friday 2 July 2021.

# TOGETHER; bound by faith, in Jesus' image.

Last Friday we celebrated our Sacred Heart Feast Day. The day was filled with prayerful celebrations, activities and fun. All our children participated in every aspect with enthusiasm and faithfulness. This day is one we share together, where we feel connected and are reminded of Jesus' divine, eternal love for each of us. Special thanks to Mr Nas, Father Chatty, Mrs Symons and Mr Davie for their significant contributions to our celebrations.

As part of our Feast Day, our Mini Vinnies team hosted a Zooper Dooper fundraiser. Their passion and consideration of those less fortunate is admirable. Thank you to all who supported the stall and to our parents also. Significant funds were raised for the Tasmanian Samaritan Projects and Epilepsy Tasmania.

Last week our teachers engaged in professional learning teams to view, analyse and moderate work completed in our students' Scripture units. The tasks classes completed showed their growing understanding of the Bible, of the different stories, psalms and prayers within it, as well as how each child can share this understanding in our community and world. It was wonderful to share and connect the understandings our students develop, as they progress through Sacred Heart.
