Staffing 2022

One of the great strengths of SHS is having 2 classes in each grade (double stream school). This means there are more children to play and learn with, more children to develop friendships with and more opportunities to expand networks. In single stream schools children have no choice as to who is in their class. This means that for the time they are in those schools they will most likely have the same children with them each year.

With class allocations at SHS, our teachers and school are committed to making sure each year the two classes in each grade are as balanced as possible.

Ultimately it is our teachers who know the cohort of approximately sixty children best, it is our teachers that are best positioned to accommodate the needs of all children, it is our teachers that spend hours considering all of the information, it is our teachers that we need to trust that are best informed.

We genuinely do our best with our decision making. Supporting your child's teachers and our school is a crucial part of your child's psychological and academic success at SHS. There are multiple layers to how class placements are allocated that can't possibly be explained completely. Our leaders and teachers put huge amounts of thought into student personalities, learning styles, teaching styles, class sizes and much more.

Parents who have been a part of our school for more than a year would be aware that teachers take this process very seriously.

- When we have finalised classes for 2022 we will be sharing with children first who their teachers are.
- When classes are finalised for 2022 parents who have shared information about their children will not necessarily have any request approved. It is important that parents understand that we will be considering the needs of all when placing children.
- Liking or not liking a teacher or child is not a justifiable reason for a class placement.
- Regardless of whether a parent shares information with our school, all children are considered with equal importance. Your input will be taken into consideration, when we place children we consider the needs of everyone.

In 2021 for 2022 parents who have relevant information for class placements they are required to email me directly: brent.wilson@catholic.tas.edu.au . Please DO NOT email or share your input with teachers.

Parents must email me by no later than **Monday 8th November 3pm.**
After this date information will not be considered. Please consider how valid your email is in light of what has been shared.

TOGETHER; bound by faith, in Jesus' image.

This week at Sacred Heart we have returned fresh after a long weekend. We remembered all our Saints, on All Saints Day (1st November) and all the deceased on All Souls Day (2nd November). The popular Halloween celebration does not just fall on the 31st by chance. This pagan ritual also was a time to consider the deceased. Our Catholic Church aligned the Feast Days with All Hallows Eve, where we celebrate to remember the Saints and our loved ones. In class children have been praying for and remembering loved ones and the Saints.

Grandparents Day at Sacred Heart was a wonderful way to celebrate and recognise the significant and invaluable contributions our extended Sacred Heart family make. From singing, film making to dancing the children loved being able to perform for their grandparents and we thank them for all they do for our Sacred Heart children. Here is a prayer written by our Pope Francis for all grandparents in our world. Thank you all for being in our children's lives.
