Advent

'Advent is a journey towards Bethlehem. May we let ourselves be drawn by the light of God made man.' (Pope Francis)

The season of Advent commenced on Sunday. Sunday 28th November is the first Sunday of Advent. By now many families will have begun their preparations for Christmas, trees and decorations will have been installed in some homes, perhaps some gifts will have been purchased and maybe planning for what happens on Christmas day will have been organised.

Advent is a period of waiting and preparing for the Christ child rather than a time for rushing and stressing about what is ahead of us. We are particularly encouraged to be grateful for what we have and consider how we can enrich the lives of others by other actions. We were challenged to reflect on how we respond as members of a christian community and in particular to those members of our community who are less fortunate than ourselves.

A few ideas of how we can provide hope for others

- Volunteer
- Spend extra time in prayer
- Be patient with your family
- Count the days with an Advent calendar
- Speak kindly to strangers
- Go to church
- Share hope with those who need it most while you wait for that special guest

As we enter this season of Advent lets all be thankful for the blessings each one of us has in our lives.

'It is the beautiful task of Advent awaken in all of us memories of goodness and thus to open doors of hope.' (Pope Benedict XVI)

TOGETHER; bound by faith, in Jesus' image.

On Sunday our church celebrated the first Sunday of Advent. This week the HOPE candle burns brightly. The candle of Hope symbolises the time where we begin preparing our hearts for the coming of Jesus Christ.

Hope is definitely something our children connect with and even us as adults. In today's world hopes are possibly very

different to those before Jesus's time. People in the Old Testament hoped for a saviour, hoped the prophets spoke the truth, hoped for peace and safety. Today around the world we hope for health, for equality, for equity. Children's personal hopes may be for items - but in this week of Advent let us be reminded to 'hope' of a better world for everyone. Let us 'hope' for a faith filled Christmas, where we listen to our hearts and the hearts of others to make our world a happier place for everyone.

In the final weeks of Term 4 our students are learning about Advent and waiting to celebrate the birth of Jesus our Saviour. As our diaries become full of end of year events and Christmas celebrations, let us be reminded of the ultimate gift God gave to us, His Son, Jesus. He was a baby born in a barn, yet came to lead the way and teach us how to love one another. He gave the people of Israel and us the gift of HOPE.
