## Thanks for 2021

*'Make your life a masterpiece; imagine no limitations on what you can be, have or do.'* (Brian Tracy)

The penultimate week of school, with only 4 school days left. Each one of us has many memories of our school year. We would like to acknowledge and give thanks to all members of our community for your contributions to our school in 2021.

- Thanks to Father Mark and Chatty for providing us with spiritual support and guidance.
- Thanks especially to The Board and Parents and Friends for your extra significant contributions to our school.
- Thanks to the many parents and grandparents who help out in classrooms, on camps, on sports fields and in many other ways in and around our school.
- Thanks to the parents of Sacred Heart for your exceptional support, encouragement and love of your children and our school. For us a true partnership needs everyone working together for a common cause.
- Thanks to our dedicated staff for your dedication and love of your profession. The manner in which you are prepared to take on tasks is outstanding. You love ALL of our kids. The progress and happiness of the children in SHS would not have been possible without the passion and contributions of our staff.
- To the most important people in our school... our children. You are the reason we are all here. You inspire me to be a better person because of the people you are... Your love of learning, sense of fun and willingness to please is the reason I love my job. Your smiles and attitude to life make coming to work each day a pure delight.

Our school is more important than one person, our school will continue to thrive long after we have all gone. It is our role as the current custodians to leave our school in a better place than when we find it.

As a community we should continue to challenge ourselves. In particular we should set a high bar in the way we nurture and care for every child. It is our mission as a Catholic School to understand that part of the fabric of our being is enrolling students from all cultural and demographic backgrounds. As every child is unique... every child brings something that enhances our community.

We should all remember we learn more about ourselves in the way we treat other people regardless of how they treat us.

Our newsletter next week will be the last for 2021.

We wish all members of the Sacred Heart Catholic Primary School community a happy, safe, restful and prayerful break.

*'Life is beautiful. Live every moment and be happy.'* (Anonymous)

## TOGETHER; bound by faith, in Jesus' image.

On Sunday the second candle of the Advent Wreath was burning bright. In the Christmas story the angels appeared to the shepherds and called "Peace on earth."

Jesus also gives us peace. He died for us so that we may live and so that we know God our Father. This gives us peace. We give peace to each other, knowing we all come from God's family. The

peace of God allows us to look at others as God's people and show them love and compassion.

This week we were blessed to view the beautiful, prayerful Kinder Nativity Story. To see the passion, enthusiasm and understanding of our faith, shared in this story by our youngest people is always spirituality fulfilling. We thank the parents, teachers and aides involved in deepening our Kinder's faith and spending time sharing the significance of the nativity story, by preparing costumes, practicing lines and all the things in between.

Our children are currently celebrating the final days of school for 2021. They are celebrating the friendships they have made, the progress in their learning and of course preparing for the coming of Christ. We are thankful for all the opportunities we have at Sacred Heart in 2021. We are especially grateful for all those who help create the safe, faith filled, peaceful environment we have to learn, to be ourselves and to grow in the love of Christ, together. May many others around the world be blessed with the same environment in which to flourish in 2022. 'Peace on Earth'.
