Journeying into Term 2

The Oxford dictionary defines a journey as travelling from one place to another.

Each and everyone of us embarks on journeys every day of our lives.

One of the experiences that my family takes great pleasure in is spending time with one another walking. We see this as an opportunity to discover new places, revisit old ones, enjoy the environment, take the opportunity to learn and see new things and reacquaint ourselves with previous places and most importantly, the opportunity to be with each other.

Both of my adult daughters have lived in Melbourne for several years now. When they come home the time they have with us is precious. We always make time to enjoy a walk somewhere. In the previous holiday break we journeyed to Cradle Mountain. The drive to Cradle was an opportunity to recount old stories, listen to how their lives were progressing and wonder what lay ahead.

Our walks have become part of our family fabric, one of our traditions that we place great importance on. We know there will be challenging times ahead, but ultimately the joy in the journey reminds us of why we continue to seek out these opportunities. Looking forward to whatever lies ahead is always at the forefront of our minds.

Why share this story?

Reflecting on Sacred Heart's journey and the connection each one of us has to our school community reminds me of some of the learnings I have had over the journey at Sacred Heart.

- Use your map, follow the map and don't be afraid to take a detour
- Look around you and appreciate what you have
- Don't confuse the path with your purpose
- Drink your water
- Remember the small is not insignificant
- Find a good rock
- Change is constant, how we approach changes may affect our well-being
- Be present to what's around you
- You're never really alone
- Enjoy each journey like it is your last

'It takes knowledge to understand others, but it needs a clear mind to know oneself. It takes strength to surpass others, but it requires a strong will to surpass oneself.' (Lao Tsu)

SHS Strategic Priorities 2022

Our newsletter this week includes Sacred Heart's Strategic Priorities for 2022. This term we will share with our community more details about these priorities.

Mother's Day

Happy Mother's Day to all of our SHS mums for Sunday. The children of Sacred Heart are blessed by your very being.

Mother's Day Poem

To the mother who is new, who is up and down all night.
To the mother whose heart is full, but with empty rooms now.
To the mother who cried today and wonders if she is enough.
To the exhausted mother who doesn't know how to answer, "What did you do today?"
To the mother who stays at home.
To the mother who works and juggles so many balls.
To the mother who stares at her child in awe, who still can't believe.
To the mother currently tearing her hair out.
To the mothers that are no longer with us, but always will be.
To the mothers who lift each other up.
To the mothers who show up every day.
To you.
Place value on the work you do.
When the days feel difficult, that's because they are.
This is the hardest yet most rewarding job in the world.
You're not just a person.
You're a place.
You are someone's home.
You are a mother.

Happy Mother's Day (every day)

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.
