What matters most at Sacred Heart?

'As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.' (John F Kennedy)

One hundred and forty nine years ago the Presentation Sisters began formal education at Sacred Heart Catholic Primary School. In the time elapsed since 1873 thousands of children have a part of the story of Catholic education. Even more staff and community members have direct connections to our school.

In 2017 our school spent time reflecting on 'What matters most at SHS?'. We consulted with all of our community members, children, staff and parents. From the question "What matters most?" we developed six pillars that are the foundation stones of our school.

- Catholicity
- Curriculum
- Communication
- Capacity
- Collaboration
- Culture

Each one of these pillars was written to guide our thinking and decision making. I recall when we developed the 6 C's, some of our community members questioned would they always be relevant? Writing these touchstones we wanted to develop a document that would stand the test of time. We all know that each one of us has been faced with a variety of challenges in the past two years, one of the constants for me has been SHS. In 150 years time Sacred Heart Catholic Primary School will still be.

When the Pillars of SHS were created we developed 'we' statements to guide the way we behaved. They were written to provide guidance for all of our community.

- We believe in God
- We live out the gospel values
- We have opportunities to practise religion and faith
- We understand, celebrate and maintain Catholic traditions
- We have a positive partnership with the parish
- We come from a place of gratitude and appreciation
- We recognise the good in everyone
- We build broad Catholic networks

Recently I spent time reflecting on these 'we statements'. Knowing I am the only person who can change my own behaviour I asked myself 'Am I true to these statements?' For example

Do I live the gospel values? Do I come from a place of gratitude and appreciation? Do I recognise the good in everyone?

School Uniform

We have noticed a small number of children wearing uniform items that are not permitted at SHS. Part of the responsibility of being a SHS community member is to wear our uniform correctly. We have attached a copy of the policy link for parents and children to read.. .

<https://www.sacredheartl.tas.edu.au/files/8915/0587/0030/UniformRequirements.pdf>

Please note the following matters have been identified in our school

- School Shoes Boys (Black leather lace up shoes (NOT black sport styles)
- Our Sports Uniform reads
- Children may wear sports uniform to and from school on Physical Education days. House polo shirt and green shorts - girls in K - Gr 2 may wear green sports skirt Sacred Heart - School dark green track pants
- Plain white ankle socks
- No bike shorts
- School rugby top
- Lace up sandshoes/runners (NOT canvas or slip-on shoes of any kind)

This means that girls should not be wearing leggings under skorts. Our Uniform Shop stocks a wide range of bottle green trackpants suitable for all sizes. Polo jackets are not a part of our school uniform, rugby tops are.

As advised last week the SHS Board will spend next year considering our uniform, including surveying our community. There will be no changes to our uniform in the mean time.

Please contact me if you have any questions about our uniform.

Early Childhood Cross Country

Last Friday was a great reminder of the many positives aspects to our school. Watching our Prep - Grade 2 enjoying the opportunity to run with and against classmates, observing our parents, grandparents and friends supporting children, noticing our Grade 6 leaders supporting children by running with them and seeing our parents and staff working as officials.

Thanks to everyone for a memorable day. Thanks especially to the children of SHS for your excellent attitude. Thanks to our helpers and thanks to Mr Anderson for organising the carnival.

Pupil Free Day

Sacred Heart Catholic Primary School has a Pupil Free Day as previously advertised on Monday 27th June. Our staff will be reflecting on their spirituality and especially the role as educators in Catholic schools.

Please note there will be NO school on this day for the children of SHS.

Sacred Heart

CATHOLIC PRIMARY SCHOOL LAUNCESTON

Strategic Priorities 2022

Catholic Identity and Mission

Catholic Schools are a vital expression of the mission of the Church in the Archdiocese of Hobart. They are the means by which not only students, but also families and the staff experience the richness and beauty of the Christian life.

Julian Porteous DD, Archbishop of Hobart

Jesus is at the heart of all we do and all we strive to be at Sacred Heart Catholic School. Every day we work towards living out the charisms of the Presentation Sisters and Christian Brothers; Through 'Deeds not Words' and 'Educating our Hearts and Minds'. The Catholic identity we share, our Love of Jesus, our mission to grow in the knowledge He loves us and gave His life for us, requires us all to share His love, His actions and His words with all we meet. At Sacred Heart Catholic School we engage in prayer, liturgical signing, Religious education, MJR, liturgies, Masses, Feast days and we actively fundraise for those less fortunate. We have visual reminders of our faith in and around our classrooms and we know Jesus is with us in all we do. At Sacred Heart we aspire to grow daily in our faith, to walk with Christ and welcome all we meet to do the same.

Witness Through Words and Action

Already this year we have organised fundraising for those less fortunate. We have donated to the Edmund Rice charity, to CARITAS to help the Ukrainian people and to Project Compassion. Our children thoughtfully consider the needs of others and help to support wherever they can.

Green Team

Our newly formed Green Team consists of students from Grade 2-6 who are passionate about our environment and improving our world, the world God gave us. We are focusing on composting our food waste at school and using this to feed our worm farms. They are collecting worm wee from the farms to use on garden beds and collecting paper recycling. Our Green Team are learning about soft plastics and will teach others how to recycle soft plastics within our community. We are caring for our environment and making it more sustainable, so that people for generations can love God's creation too.

Our Culture

Prayer is embedded in all we do and who we are at Sacred Heart. Our children engage in daily prayer, they lead prayer and participate and lead prayer in assemblies. They sing hymns of praise in music and liturgical singing. They know Jesus is with them and hears their prayers. Our Parish Priests Father Mark, Father Chatty and Father Jessie celebrate liturgies and Masses with us, deepening their understanding of their faith. Our teachers engage in weekly prayer, we engage with the Religious Education curriculum, we devote time to planning, sequencing and creating meaningful experiences to enhance the children's understanding.

2022 Prep - Grade 2 Cross Country Carnival

Last Friday our students in Prep, Grade 1 and Grade 2 participated in the annual Cross Country Carnival. It was wonderful to see so many families come down to support the runners on a sunny and still late autumn afternoon. Congratulations to all our students for your efforts running around Royal Park and also the great sportsmanship displayed. A big thank you to our wonderful staff, our Grade 6 helpers and our parent volunteers for your work on the day. Congratulations to Rice for winning the carnival in 2022.

“In running it doesn’t matter whether you come first, in the middle of the pack or last. You can say, ‘I have finished.’ There is a lot of satisfaction in that.”
