Archbishop's Charter and Sacred Heart...

'Catholic Schools are a vital expression of the mission of the Church in the Archdiocese of Hobart. They are the means by which not only students, but also families and the staff experience the richness and beauty of Christian life.' (Archbishop Julian Porteous)

The Archbishop's Charter for Catholic Schools provides the basis for the Archbishop to 'mandate' Catholic schools and colleges within the Archdiocese of Hobart. The mandate of the Archbishop represents his formal commissioning of a Tasmanian Catholic school or college to act as an evangelising agent of the Archdiocese.

The Charter, which draws inspiration from Sacred Scripture and key Church documents, focuses on four domains:

- Catholic Identity
- Learning
- Leadership
- Mission

In 2021 Sacred Heart surveyed staff, parents and students to consider what it was we were doing well in our school and what areas we could enhance. Our Leadership Team analysed the data and developed our response to the Archbishop's Charter.

Last week we were advised that Archbishop Porteous has approved our response and will formally present his acceptance of our response during Catholic Education Week in August.

In our response to the Archbishop's Charter we wrote

Catholic Identity

At Sacred Heart Catholic School, we strongly believe that the person of Christ is at the heart of Catholic Education. We strive to carry out the charism of the Presentation Sisters and Christian Brothers by nurturing hearts and minds, through the love, courage and generosity of the sacred heart of Jesus. We are committed to nurturing our students to proclaim and be witnesses to a distinctively Catholic identity. At Sacred Heart Catholic School we are called to have a personal relationship with Jesus and strive to give witness through all our words and actions. Christ's teachings through the Gospel and the charism of our founders, permeate our Catholic school life. At Sacred Heart we are living witness to the evangelising mission of the Church.

Learning

At Sacred Heart Catholic School all our learning programs provide students opportunities to hear and live out the Gospel message and instil Christian values that enable our whole community to become disciples of Jesus. Our programs support students' growth in faith and their personal relationship with Jesus. At Sacred Heart Catholic School we aim for our programs to permeate the charism of the Presentation Sisters and the Christian Brothers.

At Sacred Heart we embed experiences for students to understand their Catholic faith. We utilise Good News for Living and our learning teams plan meaningful, faith filled, engaging, accessible elements for all learners. We aim to engage each child in faith and understanding with the support of their families, developing their potential and instilling the values of Jesus. At Sacred Heart Catholic School we engage our students in Catholic celebrations, through Mass, prayer, liturgical singing, liturgies, MJR programs, as well as opportunities to help those in need.

Leadership

Leadership at Sacred Heart Catholic School is lived out through mission and service. We lead our community of faith living out the charisms of The Presentation Sisters and the Christian Brothers: 'Educating Hearts and Minds' and 'Not Words but Deeds'. Our leadership respects the dignity of each person, we respond to the call to be disciples of Jesus.

At Sacred Heart our Catholic leadership commits to Christ's command, "go into the world and preach the Gospel to the whole creation" (Mark 16:15). It is our baptismal call to evangelise through the proclamation of the world, by caring and nurturing others with the power of the Holy Spirit in our hearts.

Mission

At Sacred Heart Catholic School we promote and enhance the evangelising mission of the Catholic Church. We are a school where faith, culture and life are brought into harmony.

We are committed to supporting the disadvantaged and marginalised. We welcome families who desire a Catholic education for their child. We call on our community to be disciples of Christ, serving others, providing support and proclaiming the Word of the Lord.

In our response to the Archbishop's Charter we also shared a variety of opportunities that we aspire to continue and/or develop. In the next few weeks we will share these with our community.

Pupil Free Day

Families are reminded that Sacred Heart Staff will be participating in a Spirituality Day on Monday 27th June. As previously advertised this is a Pupil Free Day.

Our staff will be working with Dr Dan White exploring 'Seven Steps to Mystery, Ministry and Mission'. The aims of the day for our staff include...

- Reflect upon how a Catholic school community needs to recognise and respect the diversity of beliefs and attitudes towards the Catholic faith tradition that exists in a contemporary secularised society
- Come to a deeper appreciation of the importance of meeting children and parents where 'they are' in their journey of faith and to develop practical and life-giving opportunities to draw them gently into an encounter with the Mystery of God.
- Engage with a number of scriptural narratives that provide insights into how the ministry of Jesus of Nazareth can be modelled in a Catholic school today.

Be given the opportunity to reflect deeply upon their own spiritual journey and their personal ministry as members of Catholic faith community.

Sick children at SHS

The winter has certainly hit SHS hard.

We all know that 'illnesses' will spread amongst our community. Please keep children home when they are sick. It is unfair on your child to come to school when they are unwell and unfair to our community if viruses are passed on to members of our community.

Thanks for your support.

Sacred Heart Feast Day (Friday 24th June)

Next Friday 24th June is our feast day. On this day we celebrate the Sacred Heart of Jesus. As a school we gather to celebrate Mass in the Church of the Apostles in the morning. As a Catholic School this is why our school was established almost 150 years ago, to celebrate that Christ is the heart of our faith and school.

After Mass children will spend time participating in activities that are designed to grow our appreciation for others. Some of the activities we will be providing for the children to share their love of others include, writing letters to old peoples homes, cooking for the needy and considering how we can support the people of the Ukraine.

In the afternoon we will gather to watch the talent of SHS at SHS's Got Talent. Representatives from each class will participate in a talent show. Please note due to COVID protocols the show is only able to be watched by families who have their children in the show.

Learning and Teaching

This week our focus is on Professional Learning Teams from our 2022 Strategic Priorities.

The Early Years teachers have been working on a K-2 philosophy. They have been involved in researching current practice and drawing together their experience to develop a philosophy that captures what we believe is crucial in Early Childhood education and what those beliefs look like within the classroom. The philosophy is in draft form at the moment and our Early Years teachers are in the process of seeking feedback to refine the philosophy prior to sharing with the wider community.

Last year, our K-2 teachers conducted an inquiry cycle around age-appropriate pedagogies. Age appropriate pedagogies support teachers to apply a range and balance of teaching approaches and characteristics of quality teaching in their classroom practice. Children learn best when they are engaged in purposeful learning experiences. Teachers are working towards embedding these pedagogies within their classroom practice.

Dear **Year 3 & 4** Parents & Guardians,

On **Monday 20th of June 2022**, Year 3 & 4 students will be participating in our **'SHS 3/4 Writer's Festival'**. This will be a fun day of activities designed to inspire your child to be a passionately engaged writer!

On the day...

- **Students from 3/4 are invited to come to school dressed as a book character.** However, please don't feel that you need to go to great expense or trouble with your child's 'costume' for the day!! The majority of book characters are actually very ordinary people. We ask that your child chooses a character from an actual book to represent, rather than a marvel superhero, movie or video game character. Your child could come along as 'a wimpy kid' (aka 'Diary of a Wimpy Kid'), a babysitter (aka 'Baby-Sitter's Club) or a wizard (aka 'Harry Potter'), or any book character they so desire.
- **You are invited to join your Yr 3/4 child in our school Library between 8.30am - 8.55am to share in 'Milo Reading'.** For 20 minutes at the start of the day, you will be able to read a book with your child and drink a warm milo together. **RSVP is required. To RSVP please email megan.booth@catholic.tas.edu.au**
- **Students will be attending an Author/Illustrator talk by award-winning Tasmanian Author/Illustrator 'Christina Booth'.** Christina will be sharing her writing process with our students. The book that she will be sharing about is 'One Careless Night'.
- Students will be sharing the picture books that they have written and illustrated this Term for their Prep/Yr 1 Buddies.
- **Students will need to bring their food on the day as per a normal school day** (eg. fruit for fruit-qbreak and food to fill their hungry tummies at First and Second Lunch).
- Students will be participating in writing and word-based activities throughout the day in class groups, grade groups and cross-grade groups. (Therefore, on the day of this event they will not have their regular Monday PE/Music lessons, nor attending Liturgical Singing)
- **If students have a pre-loved book at home that they have already read and enjoyed and feel willing to part with, they are invited to take part in our 'Mystery Book Swap'.** This activity is optional, but encouraged (and a great way to recycle old reads!). Students will bring home a brown paper bag to pop their pre-loved book in (it could be a chapter or picture book) and will need to write a short description about the book (attached to the paper bag) to tell the potential new book owner what the book is all about. During Second Lunch, students who have brought in a book to swap will then be able to swap their mystery book for a new pre-loved 'Mystery Book' to take home and read.
- Our amazing students will be bringing some samples of their writing home to share with you all too!

We are really looking forward to celebrating our students as writers and inspiring them to continue on their writing journeys. We are grateful for the role that you, as parents and guardians, play in supporting your children to be confident, capable readers and writers too! If you have any questions about the day please contact Megan Booth (megan.booth@catholic.tas.edu.au).

Best wishes,

The Year 3 & 4 Teaching Team

Within the next few weeks, whilst at recess or lunch we will hold an unannounced emergency practice with staff & students, to test our response to a potential scenario that staff identify a threat warranting the school go into lockdown (opposite to evacuation).

Like for fire evacuation drills, we recognised the worth to test this process.

We have plans in place to make this practice as least disruptive as able.
