Reporting to Parents - Parent Student Teacher Conversations

Tomorrow parents will receive a mid-year report for their children. Next week will be an opportunity to discuss the first half of the year with your child's teacher. Reports will be shared via COMPASS after 3pm Friday 1st July, please be patient as they will take time to download from our server. Parent Student Teacher Conversations will be facilitated on Wednesday 6th July and Thursday 7th July.

Our teachers spend hours crafting each written report and preparing for Parent Student Teacher Conversations. Capturing the progress each child has made in the past 100 school days takes careful thought and energy. Our teachers place tremendous importance on getting this right. We spend time in our teams moderating work samples, discussing the progress of each child and reflecting on what each child needs to focus on for future growth. Yes this is what teachers are employed to do. I'm proud of the time, care and thoughts every teacher at SHS puts into this aspect of their role.

Every teacher has shared positive comments and celebrations about the achievements of each child in the first half of 2022, comments designed to challenge children and to consider how they can make an improvement in their work habits or behaviours.

Next week families will be provided with the opportunity to meet with teachers to discuss and listen to the progress of their children. As teachers we see these conversations as an opportunity to celebrate the progress of every child, consider and reflect on the challenges of each child and establish goals for the second half of 2022.

One of the great strengths of Sacred Heart is the partnership between our school and families. Research shows that communities who work together for a common cause achieve outcomes that are more successful than when they work against one another. Next week our teachers will be listening to information you share and sharing details of their observations with the intent of what we can do together that will assist the children to continue their progress. We look forward to continuing to work with families for the betterment of your child.

Staff Spirituality Day

On Monday our staff gathered with Launceston Catholic Primary Schools to nourish their faith. Working in Catholic schools is a privilege and something we all take great pride in. As employees in Catholic Education we know that for us to support the spiritual growth of each child at Sacred Heart we need to grow our own faith.

Dr Dan White, former Director of Catholic Education Tasmania and Executive Director of Sydney Catholic Schools, led staff. The title of our day was 'Seven Steps to Mystery, Ministry and Mission.

Our day provided us with insights from scripture, opportunities to reflect on what these meant to us as individuals and as a school, discussion points that provided us with a chance to reflect with colleagues and consider what ways we could continue to support the children and community of SHS.

Kinder 2023 Sibling Interviews

Families who have returned details about their siblings of Kindergarten age for 2022 will receive details about Kinder in the next few weeks. Interviews with families will be held later this year. We will advise families of the details in Term 3.

Last Day of Term 2

Friday 8th July is the final day for Term 2.

- Children are able to wear free clothes on this day. (for a gold coin) Don't forget sensible footwear.
- The gold coin donation will be used by Mini Vinnies to support Vinnies Food Can Drive.
- We encourage families to ask their child to complete a task at home to earn the gold coin. For example tidying the bedroom, vacuuming, washing up, walking the dog, cleaning the car

Sacred Heart Feast Day

Last Friday was a wonderful reminder of our Catholic School. Celebrating our school in prayer almost 400 children and more than 50 adults gathered in the Church of the Apostles for mass. Led by Father Jesse, immersed in song by our delightful choir and reminded of why we all have a connection with the Sacred Heart of Jesus.

After a shared lunch children of SHS rotated through activities where they were able to write letters to old peoples homes and the elderly, enjoyed a range of outdoor games and danced and sang with Mr Crawford and friends.

Our afternoon concluded with SHS's Got Talent. Class representatives from Grades 1-6 provided a myriad of entertainment that left the judges and audience awestruck with the talent emanating from the Presentation Gym.

Nude Food Week - Plastic Free July

As a school, we have introduced a soft plastics bin in each of the classrooms from Grade 1 and above. This initiative was started by the student Green Team as they wanted to do more as a school to reduce the amount of waste going into landfill and into our beautiful oceans.

During Week 10 as part of Plastic Free July the Green Team would like to challenge the Sacred Heart community to limit the amount of soft plastic in their lunchbox. We are calling this Nude Food Week! Below are some examples of ideas for lunchboxes during this week. We would love your support for this initiative.

Emergency Practice

Within the next few weeks, whilst at recess or lunch we will hold an unannounced emergency practice with staff & students, to test our response to a potential scenario that staff identify a threat warranting the school go into lockdown (opposite to evacuation).

Like for fire evacuation drills, we recognised the worth to test this process.

We have plans in place to make this practice as least disruptive as able.

If you have queries please call our Safety Officer, Simon Natoli on 0400 105 476

If parents do not have registration or registration is pending you will not be able to volunteer and attend the excursion or school event. This is something that we do not want to have to do but as legislation and system policy we need to adhere to.

How to apply for a WWVP and Number

1. Complete the online application form www.justice.tas.gov.au/working_with_children
2. Print the "Application Receipt" which is generated when the application has been completed in full
3. Take the "Application Receipt" to a Service Tasmania shop, pay the fee (\$17.60) and have your 100 point check to confirm identity

Once your registration has been approved and you receive your WWVP card, please bring it to the school office so your name, registration number and expiry date can be recorded and verified.
