## Term 2 2022

*"What counts in life is not the mere fact that we have lived. It is the difference we have made to the lives of others that will determine the significance of the life we lead."* (Nelson Mandela)

Tomorrow marks the end of Term 2. Ten weeks have passed by very quickly. Our school community has much to be proud of in the past term. Our achievements include:

- Sacred Heart Feast Day Mass
- Sacred Heart Feast Day Activities and SHS's Got Talent
- Class Masses and Liturgies
- ANZAC Day
- Mother's Day
- Launceston Competitions
- Cross Country Carnivals - Early Childhood, Primary, NIJSSA, All-Schools
- Kindergarten 2023 Interviews
- Gala Day Sport - Winter Roster for Grades 5 and 6
- Class Excursions
- Cross Country Training
- Strings and Band Soirees
- School Photos
- First Nations - Artist in residence (Prep - Grade 6)
- Grade 3/4 Writer's Festival
- JCP Leadership Days with Grades 5 and 6
- One Day a Week School
- Ten weeks of Teaching and Learning

We acknowledge for these events to take place it requires members of the community to contribute to SHS. We are indebted to the parents, grandparents and friends who consistently volunteer time, wisdom and energy towards helping out. People who contribute to the common good of our community strengthen our school. Our children are the beneficiaries of your support. Schools should be an extension of your families. Schools should be places where children are able to be challenged, learn from others, learn about love, learn about themselves, learn about the world and understand that they are a part of a world that they can contribute to. Schools are always more effective communities when many people make contributions to children's education.

Catholic Schools are places where children nourish their faith, build their understanding of what it means to be a child of God and become the person God wants them to be. Our role at SHS will always be to build and support this relationship.

Along with this list of celebrations we continue to acknowledge that our teaching staff continue to provide the children of Sacred Heart with the best possible learning opportunities. Our teachers spend many hours planning, reflecting and preparing for our children. Teaching is not a 9am – 3pm job. There are so many additional responsibilities, meetings and preparations that are required. Teachers are required to understand so much about each and every child they teach. Our teachers don't always get things right, but they will always strive to provide the best possible Catholic education for the children of Sacred Heart. Equally we acknowledge all of our support staff and the very significant contributions that they make to our school.

We will continue to thrive and grow the better we work together, with the same approaches and understandings about the important elements of helping our children grow into functional and healthy young men and women.

For now it is time to stop, give thanks to all of our community for your contributions to the school community. Every event requires a contribution by many. When you have a moment these holidays acknowledge and give thanks with your children 'how lucky they are to be a part of Sacred Catholic Primary School'. For a moment reflect with them if they had been born in one of the less fortunate places of our world. And when the time is right, prepare your child for what lies ahead in Term 3 and 4 by challenging them to set new learning and behavioural goals.

To each and every member of our community enjoy your break and in particular enjoy the time you have with your children.

*'Small acts, when multiplied by millions of people, can transform the world.'* (Anonymous)

# YEARS 3/4 WRITER'S FESTIVAL

On June 20th Grades 3 & 4 held a Writer's Festival. They invited their parents and caregivers to join them for a milo and some reading before school in the Library. It was lovely to have so many parents be able to come into school for some morning reading! Students and staff dressed as their favourite book characters and participated in a series of writing based workshops and activities throughout the day. During Term 2 Year 3/4 students wrote and illustrated books for their Prep and Year 1 Buddies. On the day of our Writer's Festival they gave their books to their buddies, reading their stories with them during morning tea. It was really special to watch the Year 3's and 4's sharing their writing. Another highlight of the day was participating in a workshop with Tasmanian Author and Illustrator Christina Booth. Christina shared her writing and illustrating process with students and gave them a tool kit to use when writing and sharing their own stories. At the end of the day students took home a 'Writer's Gift' to share with their families, containing samples of their own writing. It was a fun day spent celebrating the fact that we are all storytellers and all have stories to share! We can't wait for our next Writer's Festival and will keep telling our stories in the meantime!!
