## Term 4...

*"Enjoy the little things, for one day you may look back and realize they were the big things. (Robert Brault)"*

Holiday periods for me are opportunities to reflect on many things. They bring time for me to read, time to think and time to consider what lies ahead. Last weekend I was reading a piece of scripture that is a narrative about healing, gratitude and worship (Kings 5:14 – 17). I was immediately drawn to reflect on the many life threatening issues taking place in and around our world.

I wondered for a moment would all of the children of the world be considering what lies ahead for their Term 4 of celebrations? From the nightly images that come across our television screens I knew that they had much more pressing matters to concern themselves. More than likely some children have no school to attend, in many cases they have lost family members to the ravages of war... for some children they can only dream of what lies ahead for the children of Sacred Heart. For some children their daily battles aren't about learning spelling words, doing up shoelaces, solving schoolyard disagreements or maybe completing household chores... No, for some children, to survive each day is to live.

Before we become swept up in the emotions of the events of our school stop and consider what is really important? What really matters in our lives is to live life to the fullest, to enjoy every moment. Challenge your children and yourself this term to enjoy every occasion, enjoy every time you see your child accomplish something or equally be challenged by a situation, because that's how we learn, we learn through experience. And then remember how lucky each and every one of us is because we were indeed born in a lucky country, a country that is able to share occasions such as those documented above.

With these thoughts in mind we can then all truly accept that there will be times in the term ahead when things don't go as they should or as we would want. Accept that life is like that. We often share with our children that they control their attitude. If we approach a circumstance with an attitude that it "is someone else's fault" then we will blame others for the situation or alternatively we can accept a positive "can do" attitude to every situation then difficult situations become a challenge that we can overcome.

Enjoy this term, because we are truly blessed to be a part of Sacred Heart Catholic Primary School.

*"To dream that you want to dream, that's the beauty of the human mind. To do anything that you want to do, that is the strength of the human will. To trust yourself to test your limits, that is the courage to succeed."*

## Pupil Free Day:

Our teachers and support staff spent Monday working with educators from most Catholic schools in Tasmania. The focus for our day was described by Catholic Education Tasmania as follows....

'Wherever you may be on your learning and teaching journey, the day will support your Science of Learning understanding and practice. The program will include quality input, interactive opportunities focused on SoL evidence-based practice, Reviewing Material, and High Impact Teacher Practice (HITP).

Together we will deepen our shared knowledge base as we unpack the revelations of neuroscience - going deeper into the science of quality pedagogy.

We are most excited to be welcoming Dr Ray Boyd, Principal of Dayton Primary School, Western Australia, as our Keynote Speaker alongside critical friends Dr Lorraine Hammond (AM), Jordan O'Sullivan (Shaping Minds) and Michael Roberts and Toni Hatten-Roberts (COGlearn).

As a feature of the day, we are pleased to showcase some of our own CET Lighthouse Instructional Leader Teacher Practitioner (ILTP) Educators from across the regions. They will share their High Impact Teaching experiences and learnings so far. The day will include an exciting mix of keynotes, masterclasses, video presentations, collegial discussion and a chance for participants at each venue to interact with the guest presenters.'

## Building Works

Yesterday the first part of the building works was 'returned' to our school for us. We are hopeful that the all of the playground will be opened for use next week.

## Staffing Update

This Term we welcome our French teacher Jo Crawford to Sacred Heart. Jo will be teaching Grade 2-6 each week and sharing a 'taster session' with Prep and Grade 1. We welcome Jo to Sacred Heart.
