Building Community.....

"To be one and to be united is a great thing. But to respect the right to be different is even greater." (Anon)

"Respect for people is the cornerstone of communication" (Anon)

Our school prides itself on being a community of respect. We must continue to challenge one another and ultimately to be respectful regardless of the circumstances. There are less than 40 school days in the school term remaining. As we near the end of the school term, many people grow tired. Occasionally tiredness can lead to irritability, or saying or doing something that we regret.

God created all people, and created them differently for reasons and purposes we may not understand. Regardless of how we perceive other people to be, they are God's creations, and it is God's will for us to show respect to everyone.

In the last six weeks Term 4 we should challenge our children and ourselves to reflect on and heighten our own respectful qualities. In particular, consider our school PBS values...

- Respect of other people (in particular members of our school community)
- Respect of the environment (in particular our school environment)
- Respect for learning

Each and every day there are excellent examples of respect alive and well in our school. None of these cost anything financially to complete, therefore all of us are capable of being respectful.

Last Friday night was an outstanding example of a "community of respect". The Parents and Friends worked tirelessly to make the Colour Run a successful evening. I often worry at the end of the night that some people have to make a quick getaway and there are only a handful of helpers packing up.....

Not last Friday night. I looked around at 7.15pm and a small army of parents were returning furniture, cleaning the canteen, carrying equipment and pitching in for the common good. THAT'S RESPECT.

And then again across the weekend we had almost 50 children representing Sacred Heart at the Grade 5/6 Northern Basketball Championships. This meant we needed coaches, managers, referees, bench parents and people to volunteer their time to ensure the children could play basketball. We especially thank Suze Chapple for the massive contribution she made towards the weekend. Thanks for your time, care, dedication and energy Suze.

Thanks to each and every member of our school community for your contributions to our Colour Run and Basketball Championships. Students, Parents and Staff should be exceptionally proud of the wonderful team effort that put together these two events. Our school is indebted to everyone who contributed last week.

"Show yourself in all respects to be a model of good works, and in your teaching show integrity, dignity" (Titus 2:7)

Classes 2024

Our school takes great pride and effort in arranging classes for the following year. This year we will be changing the way we arrange classes. Our school will be using Class Solver to assist teachers in creating classes. This tool is used by hundreds of schools across Australia to assist schools in the creation of classes. St Patrick's College and many of our sister Catholic Primary schools currently use Class Solver.

In the next few weeks we will share details with parents regarding the changes. Please don't email teachers or Brent with any information or requests, we will share expectations with parents via the newsletter.

Our goal is to take into consideration every child in our school.

Our Story

On Monday morning we blessed the newly installed 'Our Story' panels that have been erected in Founders Corner. These panels share the long history our school has with this site. Take a moment in the next few weeks to come and view these impressive historical records of our school. See Page 6.

Music Playground

On Tuesday hundreds of children tried out the Music Playground for the first time. The children of Sacred Heart investigated new equipment, re acquainted with old spaces and wondered what was possible.

We are delighted to be able to provide the children of Sacred Heart with their third new playspace in the last 6 years. This has come about from hard work, energy and passion from our Building Team, outstanding support from the P and F and the TCEO. Thanks to all concerned. Tuesday was exactly the reason we work hard, watching the children swarm over the playspace with vigour and unbridled joy was a sight to behold. See page 8.

P and F (Colour Run)

Our P and F recently held their AGM for 2023. We are pleased to advise the following parents were elected as our incoming Executive for 2024.

President: Emily Pintarich

Vice President: Megan Brown

Treasurer: Tiffany Lynch

Secretary: Bec Bowen

Committee Members:

Abby Osborne

Kirstie Burnie

Thanks to all of our elected executive members for their commitment to Sacred Heart.

Thanks especially for another highly successful night last Friday for the Colour Run. See page 7.

Northern Basketball Championships

Our school performed exceptionally well on the weekend. 6 Teams represented Grades 5 and 6. One of my highlights of the school year is watching children playing sport, enjoying time with their classmates, learning new skills, challenging one another and seeing so many of our school community supporting Sacred Heart.

Congratulations to Grade 5/6 Division 1 Girls Shelton.
Milla, Emma, Charu, Poppi, Grace, Halo and Addi. Crowned Northern Champions.

A big thanks to our coaches - Dan Shelton, Alicia Johnston, Cam Illingworth, Trent Spencer, Shaun Cackett and Shannon Bradford
Managers - Tracy Matthews, Damien Frappell, Chantal McMullen, Fleur Broadhurst, Lisa Van Zetten and Jane Gamble.

And thanks to our referees for umpiring and parents and staff who came along and supported teams.

Thanks to Karen Cettolin, Rebecca Millwood, John Anderson, Lidia Tulk and Suze Chapple for the planning and preparation prior to the tournament.

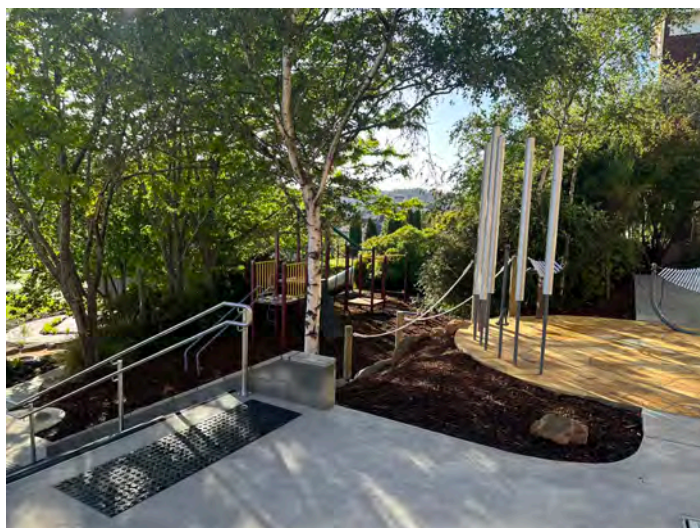

A massive thanks to Suze who had to do a huge amount of extra work on Friday with rosters coming out late, referees to sort and questions from parents. Equally through the weekend Suze was still sorting referees late Saturday and early Sunday as the roster became a movable feast. Thanks Suze the children of SHS are indebted to you for your efforts. See photo pages 11-14

Intentions for 2024

At Sacred Heart, whilst our focus remains on 2023, we are planning for 2024 in regards to enrolments. If you are not planning on continuing at Sacred Heart in 2024 can you please let us know via email (brent.wilson@catholic.tas.edu.au) by the end of the term to ensure we have the correct numbers moving forward.

Volunteers Thank You Before School Coffee - Monday 13th November

We are indebted to a large number of parents, grandparents and friends who volunteer their time to our school. This year we will acknowledge the volunteers by providing a free coffee on Monday 13th November at school. We invite all of our volunteers to join us for a coffee

2024 Booklist

Orders Can Be Placed Online At: <https://www.booklists.com.au/phos/>

Ordering Opens: **November 27th**

- \$12 Charge for delivery
- Free Pick up from shop

Or select your items and pay at our

Back To School Shop: 77 Elizabeth Street

Open: **January 16th– February 15th**

- Enter **SAC.HEA** into the school code text box.
- Select the year from the dropdown box.
- Select your required items and follow the prompts to finalise your order.
- If you have more than one student you can add another booklist after completing the first order.

DELIVERY- it is recommend that you place your order by **31st December 2023** to guarantee your pack prior to the commencement of the 2024 school year.

After this date, delivery is not guaranteed by the beginning of the school year

Thank you

Wellbeing Lessons

EMPATHY

This term in Wellbeing we are focusing on Empathy. Here at Sacred Heart, we are learning that Empathy is when you understand how someone else feels. It's almost like trying on their feelings or wearing their shoes in your mind. Having empathy for others helps us to show kindness and care for others as we can imagine how they might be feeling.

We have used games and role play to explore and practise what empathy actually looks like. This is what we have decided;

Empathy is eye contact.

Empathy is listening.

Empathy is positive body language and facial expressions.

Empathy might be asking questions to show that you are listening and interested.

Empathy is offering support or help.

Empathy is acknowledging the feelings of others.

Empathy is offering encouragement.

Empathy is avoiding judgement and criticism.

Just like any habit, it takes time to change our responses and reactions when we are communicating with others. Thank you to our students at Sacred Heart who are demonstrating that practising empathy matters and can truly make a difference to others.
